

XMAS TREE, LOG CABIN, LIGHTS TO BE ERECTED BY LOCAL CLUB

Glenn Guise, president of the Exchange club, will "throw the switch" that turns on Gettysburg's Christmas street lights the Saturday evening after Thanksgiving, November 25, it was announced at Tuesday night's weekly dinner meeting of the club at Banker's restaurant.

Herbert Oyler, chairman of the lights and decorations committee, said the club would place a large Christmas tree in the center plot of Lincoln Square. The tree will be brought to Gettysburg next Monday and will be erected by the Metropolitan Edison company, he said.

To Display Cabin

The log cabin which was mounted on a truck and entered in the Fourth of July and sesquicentennial parades by Daniel Greenawalt, proprietor of Lincoln Logs, will be placed in the center plot, along with a figure of Santa Claus, Mr. Oyler announced.

The square and one block each way from it will be decorated with strings of laurel and colored lights.

The club voted against taking any action, either endorsing or condemning the recent action of the borough council in directing the removal of the center plot in the square.

Tuesday night's speaker was P. T. "Buzz" Hoopes, Rosemont, Pa., a representative of the Anso company of Binghamton, N. Y., who gave a talk on color photography and illustrated it with color slides, several of them of members of the club which were taken earlier in the day at Banker's, and processed by Mr. Hoopes for showing at the meeting. The slides were presented later to the members.

Find Local Pictures

Color photographs taken at Banff, Jasper and Lake Louise, and of Mt. Eisenhower, Tuckahoe Falls and the Bow river, were also shown.

Mr. Hoopes said that color photography had made great strides in the last few years. The price of color film is being reduced, and he predicted that in another 15 to 20 years from \$9 to 80 per cent of all "snapshots" will be taken with color instead of black and white.

In his talk Mr. Hoopes said that Anso was the oldest photographic firm in the United States, and that Anso plates were used by Matthew Brady in pictures taken by him during the Civil War. In this connection, he said, a collection of Brady plates was found a few months ago in the attic of a New York state home. The collection contained several pictures taken at Gettysburg, he said.

CURRICULUM IS MEETING TOPIC

Miss Jeanetta Melloy, professor of elementary education at Pennsylvania State college, was the speaker Tuesday evening at a meeting at the court house here under sponsorship of the Adams County Elementary Principals' association.

The session was conducted to permit elementary teachers throughout the county to learn more about the new curriculum program being initiated in the schools.

Miss Melloy, who for a number of years worked on an educational project in Kentucky under the Sloan Foundation, told of her experiences in improving living conditions among people in isolated sections of Kentucky through education. Most of the work was carried out on a "learn by doing" process rather than through traditional educational processes involving study from books, she said. She urged larger adaptation of the "learn by doing" type of teaching in the public grade schools.

The possibility of holding a night course on visual education for teachers and school nurses at Gettysburg college during the second semester was outlined by Charles I. Raffensperger, assistant county superintendent of schools. Raffensperger said that if 12 persons are interested in taking the course it will be held by the college. So far, he said, prior to any public announcement, six teachers have already signed for the course.

John Riley, president of the Principals' association, presided at the meeting.

300 TO ATTEND YOUTH PARTY HERE FRIDAY

Approximately 300 teen-age Catholic youngsters from 12 parishes in this area have signified their intention to attend a Conewago Deaneary Youth party to be held Friday evening at St. Francis Xavier Catholic school here. Mrs. George A. Miller, president of the Conewago Deaneary, announced today.

The party will be the first of a number sponsored by the Conewago Deaneary of the National Council of Catholic Women.

Mrs. Miller explained that the 12 parishes in the deaneary plan to hold youth parties throughout the coming year, with all of the young people in the deaneary area, who are 13 years of age or over, invited to attend all of the parties.

In that way the deaneary hopes to provide wholesome amusement for the young people and also provide a way in which the young people can become widely acquainted throughout the deaneary area, Mrs. Miller said.

Mrs. George Hasen, Youth committee chairman for the Gettysburg parish council of the NCCW, is in charge of the party to be held

3 More Groups Favor Lincoln Plot Retention

The Mary Gettys Rebekah lodge (IOOF), the Acorn club and the Council of Catholic Women on October 6, 16 and 19 filed protests with the town council against the removal of the center plot in Lincoln Square.

Their protests follow:

October 19, 1950

The members of St. Francis Xavier Parish Council of Catholic Women protest the removal of the Center Square plot.

We feel it adds beauty to Gettysburg and if it is a factor in the by-passing of our town by large highways we are wholeheartedly for it.

Truly yours,
Mrs. Robert Kenworthy,
Chairman Public Relations

October 6, 1950

A letter was received and read to our club from the Women's Civic Council, on the matter of the removal of the Center Square plot, and asking us to discuss this matter and write a letter to you, stating how we feel about it and our reasons for it.

The Acorn club is very much in favor of keeping the center plot, but if same is kept intact, it should be kept beautified and not like it is now.

As to our reasons against removing the plot, first, it is almost the only spot of beauty left in the town. Second, the tentative plans to place a Lincoln monument there. Third, traffic could be regulated by lights or in some other way than by removal of the plot.

Sincerely yours,
Annette M. Bream, Sec.
Acorn Club

This is to state that Mary Gettys Rebekah Lodge (IOOF Auxiliary) does NOT favor the removal of Lincoln Square plot but recommends this little spot of beauty be retained, as it now is, but does recommend traffic lights in square.

Sincerely yours,
Florence S. Grindler, Sec.

BSP SORORITY PREPARES FOR SOCIAL EVENTS

Plans for a number of activities were outlined Tuesday evening at the regular meeting of the Epsilon Delta Chapter of Beta Sigma Phi sorority, held at the home of Miss Jacqueline Sanders, Fourth street.

Mrs. Donald Sheely, president, announced that Christmas boxes provided by the sorority for the Red Cross "Christmas on the High Seas" program have been shipped. The boxes will go to members of the armed forces enroute overseas on transports at Christmas time.

Miss Dorothy Shetter and Miss Doris Smith, of the ways and means committee, announced that a food sale will be held by the sorority Saturday, November 18, at the Farmers Market house and that a rummage sale will be held in the Leathman room December 15 and 16.

Valentine Dance

Plans for the annual Valentine dance were outlined. The annual fund-raising affair will be held Saturday night, February 10, in the Gettysburg high school gymnasium from 9 to 12. Selection of the orchestra will be made in the near future and sale of tickets will begin within the next few weeks, it was reported. Profits from the dance go to the charity fund of the organization.

Mrs. Jay Schmitt, chairman of the social committee, reported that a Thanksgiving dinner will be held for members at the Shetter house November 28, at 6:30 p.m. preceding the next regular meeting of the group.

A Christmas party will be held by the sorority at the Gettysburg Country club Friday night, December 15, Mrs. Schmitt also announced. Each member will be permitted to bring one guest. A buffet luncheon will be served in connection with the affair.

Plan Xmas Gifts

The sorority voted to purchase Christmas tree trimmings for the Little family whose home was recently destroyed by fire.

Miss Louise Prazier, home economist for the local Manufacturers' and Merchants' Association, spoke on the Red Cross nutrition program and the sorority discussed the possibility of organizing a class to study nutrition under the Red Cross program with Miss Prazier as the instructor.

Mrs. George Gilbert was in charge of the cultural part of Tuesday's meeting. A social hour was held following the session.

FIRST BAPTIST CHURCH GROUP IS ORGANIZED

The First Baptist church of Adams county was formally organized Sunday with a charter membership of 25. Mrs. S. C. Ballard, Gettysburg R. 3, church clerk, announced today.

A survey made last summer disclosed that more than 150 Baptists in the county have not united with any other denomination and that a great majority of the 150 were not attending any church, Mrs. Ballard said.

A small group of Baptists organized and held their first meeting June 4 at Mummaburg union church, she added. Since then the group has been holding regular mid-week services in homes and Sunday services at the Odd Fellows hall here. Dr. W. K. Morgan, of the state Baptist convention has been supplying the pulpit.

Plan To Build Church

Several locations have been offered as sites for the erection of a church, she added, and the congregation hopes in the near future to be able to begin construction of a church.

Mrs. Ballard announced that the following officers were elected: Deacons, M. V. Coleman, Ben Harmon, George Lewis, Amby Harper; trustees, Ben Harmon, Mrs. George Lewis, M. V. Coleman and Fred Harmon; church clerk, Mrs. S. C. Ballard; treasurer, George Lewis; financial secretary, Fred Harmon; pianist, Mrs. Fred Harmon with Mrs. S. C. Ballard as assistant.

Services Thursday For Mrs. Mary Pool

Funeral services for Mrs. Mary Pool, 72, who died suddenly Monday morning at the home of William C. Arentz, near Two Taverns, will be held Thursday at 10 a.m., from the Providence Calvary Methodist church, Gambler, Md., conducted by the Rev. William Waters. Interment in the church cemetery.

Mrs. Pool, who was a member of the Providence church, is survived by two step-daughters.

Friends may call at the Little funeral home, Littlestown, this evening from 7 to 9 o'clock.

Lions Give Birthday Gifts To 10-year-old Kathryn Swisher, Afflicted With Rheumatic Heart

The Gettysburg Lions club Tuesday evening presented a belated birthday gift to ten-year-old Kathryn Swisher, daughter of Mr. and Mrs. Scott Swisher, Fairfield R. 1.

Four members of the club, Sydney Poppy, its Boys and Girls committee chairman, T. D. Hay, LeRoy LeVan and Jacob Appier visited the youngster at the hospital Tuesday night to present her with a record player and records as a gift from the club.

A third grade student in the Fairfield schools, the dark haired youngster has spent much of the past year in the Warner hospital. She was first admitted March 8 and discharged September 3. She was returned to the hospital October 3.

Members of the committee told her that the Lions learned she entered the hospital for the second time one day after her birthday and wanted to remember her natal anniversary.

Kay, a chubby, charming dark haired little miss was delighted with the gifts, particularly music by cowboy star Gene Autry. Mr. Appier read the titles of the records brought with the record player including a number of children's favorites. When he mentioned Autry, Miss Swisher sighed, "Oh, I like him." So Autry's Christmas songs were the first ones played.

The second record was a recording of "Jack and the Beanstalk," a story of which Kay noted, "I also have it in a book, but it sounds even nicer the way it's read on the record."

"The birthday party" provided by the Lions was the second for Kay since her admission to the hospital. The nurses also held a party for their popular patient.

Among Kay's serious afflictions is a rheumatic heart.

Lt. Thomas Bulleit Returns To Duty

1st Lt. Thomas N. Bulleit, Troxell apartments, East Middle street, today reported to Camp Breckenridge, Ky., for active duty with the U.S. Army.

He was recalled from the Army Reserve to which he has belonged since his separation from the service at the end of World War II.

A graduate of Gettysburg college, where he took the ROTC program, he received his commission after attending officer candidate school at Fort Knox, Ky., during the war.

His wife, the former Miss Mabel Null and daughter, Barbara, will reside here. He was an office employee of the Windsor Shoe company, Littlestown.

BULLETINS

Oslo, Norway, Nov. 15 (AP)—Twenty persons were believed killed or injured in a train accident at Hjukseboe, on the Oslo-Kristiansand railway today. The Oslo-bound train from Kristiansand collided with a freight car which had broken loose on the main line.

Washington, Nov. 15 (AP)—Secretary of the Treasury Snyder today proposed a 75 per cent excess profits tax on corporations to raise the extra \$4,000,000,000 that President Truman wants to help pay for the expending defense effort.

Snyder said he is "confident" the proposal—a modified and softer version of the 85.5 per cent excess profits tax of World War II—can be passed at the short session of Congress opening November 27.

Williams Grove, Pa., Nov. 15 (AP)—Police today continued their search for six-year-old Eddie Collins, missing since his school teacher saw two men in a maroon car drive off with him last Monday.

Authorities were spurred in their hunt by a warrant sworn out by Mrs. Mary Collins, the boy's mother,

charging the men with kidnaping. Names were not included since the identity of the men remains a mystery.

Rangoon, Burma, Nov. 15 (AP)—The newspaper Rangoon Daily said today Chinese Communist troops had crossed the northern tip of Burma in an apparent drive toward invaded Tibet from the south. (This dispatch gave no indication that the newspaper dispatch was confirmed by official sources.)

Oklahoma City, Nov. 15 (AP)—The Oklahoma highway patrol headquarters here said today a forest ranger had reported finding the wreckage of an airplane and six bodies in an isolated mountain area in eastern Oklahoma near the Arkansas border.

OPERETTA TO BE STAGED BY COUNTY GUILD

An operetta written by Mr. and Mrs. Stanton Thomas, Biglerville, and first presented May 2, 1941, by the students of Afendtsville high school will be presented again in January by the Arendtsville Volunteer Playmakers Guild.

The group voted at a meeting Tuesday evening in the recreation room of the Arendtsville National bank to present the production, "Plantation Melodies" on January 27.

Decision to repeat the performance given ten years ago was made by the guild several months ago. But at that time, while nearly every member recalled the operetta, no one could find the script to the production.

First Script In Attic

Mrs. David Houck, wife of the guild director, finally found a copy of the script in the attic of her home.

Mrs. Thomas wrote the operetta assisted by her husband, while she was music teacher at the Arendtsville high school. Mr. Thomas arranged and directed the play portion of the operetta and Mrs. Thomas directed the musical numbers—all selections by Stephen Foster.

At Tuesday's meeting David Bushman and Jean Slaybaugh were appointed to aid Director Houck in selecting the cast for the production.

To Share Profits

The guild decided that a portion of any profits made on plays will be presented for some community project or to some charitable organization.

A letter was read from John Clubbey, director of the recent guild for its participation in the Sesqui.

Edward Staub, president of the guild presided with 27 members present.

WILL REPAIR FIRE DAMAGE

Immediate steps will be taken to repair damage done by fire, smoke and water to the Green Springs Evangelical United Brethren church, Hanover R. 3, it was decided at a meeting of officials of the church held Monday night at the home of Paul C. Miller, superintendent.

Fire of undetermined origin ruined the interior of the building early Saturday evening. The loss was estimated at between \$3,000 and \$5,000 and only a small portion of the damage was covered by insurance.

The officials took action to have the interior of the church reconstructed as early as possible. Bids will be obtained from contractors who will be asked to begin work as soon as the contract is awarded.

An insurance adjuster inspected the damage Monday and an inspector from the furnace company was at the church Tuesday. The electric wiring in the building is to be checked within the next few days.

During their meeting Monday night the church officials praised the New Oxford fire company, Eugene Overbaugh, chief, for its quick work in bringing the fire under control.

The churchmen announced that they have been offered and have accepted pews and a piano for the church. They asked that anyone desiring to donate furniture suitable for use in church or Sunday school, kitchen furnishings or kitchen utensils contact either the pastor, the Rev. William Yingling, Hanover, or the superintendent, Mr. Miller. Any church having song books no longer in use was asked to contribute them to the congregation.

Announcement was made that Charles Taylor, supervising principal of the schools of the Lower Adams County Jointure, has offered use of the Green Springs schoolhouse for the conducting of services until the church is repaired. Sunday school will be held in the schoolhouse on Sunday morning at 10 o'clock.

Firemen's Memorial Service On Sunday

The 24th annual memorial service of the Adams County Volunteer Firemen's association will be held Sunday afternoon at 2 o'clock, Roger Myers, Fairfield, secretary of the county firemen announced today.

The service, with the Rt. Rev. Msgr. Patrick F. McGee delivering the address, will be held in Annunciation grade school in McShenystown.

BICYCLE RETURNED

A Halloween trick was found responsible for the disappearance of the bicycle reported stolen this week by Mrs. Paul Anzenberger, 243 North Washington street. The bicycle had been taken October 30 and hidden. The notice in The Gettysburg Times Tuesday that the bike had been reported stolen resulted in its return.

Leads Reds To U.N.

SOROPTIMISTS INVITE CLUBS TO 12TH DINNER

Representatives of the Rotary, Lions and Exchange clubs, the Business and Professional Women's club and the Woman's Club of Gettysburg, as well as Soroptimist clubs of Harrisburg, Chambersburg, Carlisle, York, Hanover and Westminster, will be invited to attend the birthday anniversary dinner of the Gettysburg Soroptimist club at the Hotel Gettysburg Tuesday evening, November 28.

Members of the board of directors will act as hostesses for the affair, marking the 12th anniversary of the club. The dinner will be held at 6:30 o'clock, and will be formal. Members may bring guests. Tickets will be \$2.75. Letters of invitation will be sent to the other clubs, it was announced at a business meeting of the Soroptimist club held Tuesday night at the YWCA.

Three New Members

Mrs. Elizabeth Henning, president, presided at the meeting. One new member, Mrs. John H. Beshore, was introduced. Two additional new members, not able to be present, were announced. Mrs. George Ditchburn, Gettysburg, and Miss Anna Weaver, Littlestown.

The club voted to fill Christmas requests of three children under the care of the county Rural Child Welfare services. Their names and ages were obtained by Mrs. David Blocher. Some of the gifts were donated by members while others gave cash contributions for the gifts. The presents will be taken to the Blocher jewelry store before December 1, so that they may reach the child welfare on that date.

Plan Xmas Dinner

Two benefit projects were announced. The club voted to hold a perfume sale, and in March will hold a rummage sale. It was announced that there will be no business meeting in December. The Christmas dinner party will be held December 26.

Mrs. Milo Gallinger, chairman of the May dinner meeting, told members of plans to hold the dinner with the Spring Grove club.

The club received an invitation to attend a benefit card party to be given by the Chambersburg club on November 21, at College Inn. Several local members plan to attend.

Mrs. Samuel Hignbotham, Littlestown, official delegate to the fall conference of the North Atlantic region last month at Atlantic City, presented her report.

72 Attend Father And Son Banquet

Seventy-two fathers and sons attended the annual Father and Son banquet Tuesday night at Trinity Evangelical and Reformed church. Clyde Spangler, superintendent of the church school, was toastmaster for the program which followed a turkey dinner served by members of Zwingle circle.

Dr. C. N. Gut spoke briefly for the fathers, and Harry Spangler for the sons. The Rev. Arthur Leeming, superintendent of the Hoffman orphanage, was the principal speaker, taking as his subject, "Men Working." Following his talk, several movie cartoons were shown, and there was group singing.

Harry Little had the largest family present, a son, son-in-law and two grandsons. T. J. Winebrenner was the oldest father present and LeRoy H. Winebrenner the oldest son. George Olinger was the youngest father and David Eckert the youngest son.

Red Forces Smash Back South Koreans On UN Line

Seoul, Nov. 15 (AP)—Red battalions smashed back South Korean troops at two widely separated points on the United Nations' lines last night and today.

Attacking Communists drove the Republic of Korea (ROK) Eighth Division back four miles near Tokchon on the western front.

The attack, in battalion strength, began Tuesday night and continued Wednesday morning. By noon the ROK Eighth Division had withdrawn to the south bank of the Taedong River, four miles east of Tokchon. This is on the right flank of the U.N. western front.

On the extreme northeastern front six tank-led North Korean assault battalions tore five holes through the ROK Capital Division line late Tuesday. The South Koreans counterattacked, closing the gaps, the U. S. 10th Corps said.

Violent Red Assaults

Violent Red assaults were continuing in the area, 90 miles southeast of the Soviet border. But, a spokesman said, "No ground was lost."

These Communist attacks were in sharp contrast to lack of opposition encountered by other U.N. troops advancing carefully in North Korea's bitter cold.

American troops reached the shores of North Korea's two largest reservoirs which produce power also for Manchuria. They sent patrols inside the ancient walled city of Yongbyon, and probed out in front of their lines. The British Commonwealth 27th Brigade advanced half a mile and patrols entered Pakchon on the northwest front.

Unexplained Actions

They found well-prepared but abandoned defenses, with signs that Chinese Communists recently had left them. Some points were abandoned so hurriedly that ammunition, supplies and individual packs were left behind.

An intelligence spokesman at General MacArthur's headquarters said he had no idea why the Chinese were abandoning their positions.

A U. S. First Corps spokesman on the western front said the Chinese are using North Koreans as a screen to fight U.N. troops while Chinese Reds prepare stronger defense lines to the rear. He said Chinese officers are reorganizing remnants of the North Korean army into effective fighting units.

There was no explanation of why little or no opposition was encountered around the great Changlin and Pujon reservoirs. Defense of these two vital dams earlier had been cited as one probable reason Chinese Red troops poured into Korea.

Parka-clad U. S. Marines, winding through gorges so narrow that their artillery could not follow, took Hagru at the southern tip of Changlin reservoir without opposition.

COMPLAINTS OF CHISELING ARE BEING PROBED

Two men appeared before the county public assistance board Tuesday evening at a meeting held in the assistance office on North Washington street to ask the board to investigate whether five people whom they listed are illegally receiving assistance.

The board promised a thorough investigation of the charges and withheld the names and the names of the informants at the latter's request. The two appeared before the board in answer to a request published in The Gettysburg Times that any person who may have evidence that anyone is illegally securing assistance report the fact to the board.

A public invitation that all persons knowing of anyone illegally obtaining assistance report the fact to the board was made following publication of a letter to the editor of The Gettysburg Times claiming that an unnamed family was obtaining relief when member were not entitled to it. The two men who appeared Monday night said they were not the authors of the letter, but had come in response to the invitation. They said they believed the persons they named are concealing employment which would make them ineligible for relief.

Case Load Declines

The number of cases on the assistance roles continues to decline, the report presented to the board by the director, Mrs. Verna Myers disclosed. During the past year the number of cases has dropped by 121. On November 1, 1949, there were 810 cases on the rolls. As of November 1 this year the number of cases was 689.

Miss Dorothy Shetter and Miss Doris Smith, of the ways and means committee, announced that a food sale will be held by the sorority Saturday, November 18, at the Farmers Market house and that a rummage sale will be held in the Leatherman room December 15 and 16.

Valentine Dance

Plans for the annual Valentine dance were outlined. The annual fund-raising affair will be held Saturday night, February 10, in the Gettysburg high school gymnasium from 9 to 12. Selection of the orchestra will be made in the near future and sale of tickets will begin within the next few weeks, it was reported. Profits from the dance go to the charity fund of the organization.

Mrs. Jay Schmitt, chairman of the social committee, reported that a Thanksgiving dinner will be held for members at the Shetter house November 28, at 6:30 p.m. preceding the next regular meeting of the group.

A Christmas party will be held by the sorority at the Gettysburg Country club Friday night, December 15, Mrs. Schmitt also announced. Each member will be permitted to bring one guest. A buffet luncheon will be served in connection with the affair.

Plan Xmas Gifts

The sorority voted to purchase Christmas tree trimmings for the Little family whose home was recently destroyed by fire.

Miss Louise Frazier, home economist for the local Manufacturers Heat and Light company, spoke on the Red Cross nutrition program and the sorority discussed the possibility of organizing a class to study nutrition under the Red Cross program with Miss Frazier as the instructor.

Mrs. George Gilbert was in charge of the cultural part of Tuesday's meeting. A social hour was held following the session.

FIRST BAPTIST CHURCH GROUP IS ORGANIZED

The First Baptist church of Adams county was formally organized Sunday with a charter membership of 25. Mrs. S. C. Ballard, Gettysburg R. 3, church clerk, announced today.

A survey made last summer disclosed that more than 150 Baptists in the county have not united with any other denomination and that a great majority of the 150 were not attending any church, Mrs. Ballard said.

A small group of Baptists organized and held their first meeting June 4 at Mummansburg union church, she added. Since then the group has been holding regular mid-week services in homes and Sunday services at the Odd Fellows hall here. Dr. W. K. Morgan, of the state Baptist convention has been supplying the pulpit.

Plan To Build Church

Several locations have been offered as sites for the erection of a church, she added, and the congregation hopes in the near future to be able to begin construction of a church.

Mrs. Ballard announced that the following officers were elected: Deacons, M. V. Coleman, Ben Harmon, George Lewis, Amby Harper; trustees, Ben Harmon, Mrs. George Lewis, M. V. Coleman and Fred Harmon; church clerk, Mrs. S. C. Ballard; treasurer, George Lewis; financial secretary, Fred Harmon; pianist, Mrs. Fred Harmon with Mrs. S. C. Ballard as assistant; (Continued on Page 2)

Services Thursday For Mrs. Mary Pool

Funeral services for Mrs. Mary Pool, 72, who died suddenly Monday morning at the home of William C. Arentz, near Two Taverns, will be held Thursday at 10 a.m., from the Providence Calvary Methodist church, Gambler, Md., conducted by the Rev. William Waters. Interment in the church cemetery.

Mrs. Pool, who was a member of the Providence church, is survived by two step-daughters.

Friends may call at the Little funeral home, Littlestown, this evening from 7 to 9 o'clock.

Lions Give Birthday Gifts To 10-year-old Kathryn Swisher, Afflicted With Rheumatic Heart

The Gettysburg Lions club Tuesday evening presented a belated birthday gift to ten-year-old Kathryn Swisher, daughter of Mr. and Mrs. Scott Swisher, Fairfield R. 1.

Four members of the club, Sydney Poppay, its Boys and Girls committee chairman, T. D. Hay, LeRoy LeVan and Jacob Appier visited the youngster at the hospital Tuesday night to present her with a record player and records as a gift from the club.

A third grade student in the Fairfield schools, the dark haired youngster has spent much of the past year in the Warner hospital. She was first admitted March 8 and discharged September 3. She was returned to the hospital October 3.

Members of the committee told her that the Lions learned she entered the hospital for the second time one day after her birthday and wanted to remember her natal anniversary.

Kay, a chubby, charming dark haired little miss was delighted with the gifts, particularly music by cowboy star Gene Autry. Mr. Appier read the titles of the records brought with the recorder including a number of children's favorites. When he mentioned Autry, Miss Swisher sighed, "Oh, I like him." So Autry's Christmas songs were the first ones played.

The second record was a recording of "Jack and the Beanstalk," a story of which Kay noted, "I also have it in a book, but it sounds even nicer the way it's read on the record."

The "birthday party" provided by the Lions was the second for Kay since her admission to the hospital. The nurses also held a party for their popular patient.

Among Kay's serious afflictions is a rheumatic heart.

Lt. Thomas Bulleit Returns To Duty

1st Lt. Thomas N. Bulleit, Troxel apartments, East Middle street, today reported to Camp Breckenridge, Ky., for active duty with the U.S. Army.

He was recalled from the Army Reserve to which he has belonged since his separation from the service at the end of World War II.

A graduate of Gettysburg college, where he took the ROTC program, he received his commission after attending officer candidate school at Fort Knox, Ky., during the war.

His wife, the former Miss Mabel Null and daughter, Barbara, will reside here. He was an office employee of the Windsor Shoe company, Littlestown.

BOY SCOUTS OF CONEWAGO DISTRICT ELECT

Walter W. Blettner was chosen chairman of Conewago district, York-Adams Area council, Boy Scouts, at an election of officers Tuesday night at the annual dinner meeting in Penn Community hall, Hanover. He succeeds Robert A. Bagshaw.

Other officers named were: Charles Ritter, Littlestown, vice chairman; William O. Randall, commissioner; C. P. Keefer, New Oxford; Edward H. Blettner, Rush C. Little and Emerson W. Mangle, members at large.

ADVANCE PLANS FOR CHRISTMAS LIGHTS, PARADE

The Biglerville Business club committees planning the Christmas parade and celebration on Monday, December 4, met Tuesday evening to advance plans for the pre-holiday events that will include a parade with prizes and another "best-decorated home" contest.

The club will hold a special meeting Thursday evening at 8 o'clock in the high school building at the call of President Oscar C. Rice, Jr., to receive reports and cash from solicitors who have been raising the funds with which to finance the celebration. All members of the club are urged to attend the meeting.

Following Tuesday's committee meeting it was announced that 12 commercial floats already have been entered in the parade but will not be competing for prizes. Prizes will be distributed among other floats, marching groups and individuals or couples appearing in the procession. The prize lists for the parade and for the home decorating contest will be announced later.

Longer Parade Route

The parade route, which is considerably longer than that followed by last year's procession, has been ten- (Continued on Page 2)

PRESBYTERIAN GUILD ELECTS NEW OFFICERS

Mrs. Robert Ditchburn was elected president of the Women's Service Guild of the Presbyterian church Tuesday evening at the organization's November meeting at the church. She will succeed Mrs. Richard A. Brown, who has headed the organization for the last two years. Mrs. Brown was presented with a gift as retiring president.

Other officers named included: First vice president, Mrs. Clyde R. Brown; second vice president, Mrs. C. H. Heldt; secretary, Mrs. Clarence Bartholomew; treasurer, Mrs. David Deitch; corresponding secretary, Mrs. Elizabeth Evans, and historian, Miss G. A. Albee. The election followed the report of the nominating committee, Mrs. J. P. Dalbey, Mrs. John D. Keith and Mrs. M. B. Frazier.

Mrs. Brown presided at the meeting with about 75 members present. (Continued on Page 2)

OPERETTA TO BE STAGED BY COUNTY GUILD

An operetta written by Mr. and Mrs. Stanton Thomas, Biglerville, and first presented May 2, 1941, by the students of Arendtsville high school will be presented again in January by the Arendtsville Volunteer Playmakers Guild.

The group voted at a meeting Tuesday evening in the recreation room of the Arendtsville National bank to present the production, "Plantation Melodies" on January 27.

Decision to repeat the performance given ten years ago was made by the guild several months ago. But at that time, while nearly every member recalled the operetta, no one could find the script to the production.

Find Script In Attic

Mrs. David Houck, wife of the guild director, finally found a copy of the script in the attic of her home.

Mrs. Thomas wrote the operetta assisted by her husband, while she was music teacher at the Arendtsville high school. Mr. Thomas arranged and directed the play portion of the operetta and Mrs. Thomas directed the musical numbers—all selections by Stephen Foster.

At Tuesday's meeting David Bushman and Jean Slaybaugh were appointed to aid Director Houck in selecting the cast for the production.

To Share Profits

The guild decided that a portion of any profits made on plays will be presented for some community project or to some charitable organization.

A letter was read from John Clueley, director of the recent guild for its participation in the Sesqui.

WILL REPAIR FIRE DAMAGE

Immediate steps will be taken to repair damage done by fire, smoke and water to the Green Springs Evangelical United Brethren church, Hanover R. 3. It was decided at a meeting of officials of the church held Monday night at the home of Paul C. Miller, superintendent.

Fire of undetermined origin ruined the interior of the building early Saturday evening. The loss was estimated at between \$3,000 and \$5,000 and only a small portion of the damage was covered by insurance.

The officials took action to have the interior of the church reconstructed as early as possible. Bids will be obtained from contractors who will be asked to begin work as soon as the contract is awarded.

An insurance adjuster inspected the damage Monday and an inspector from the furnace company was at the church Tuesday. The electric wiring in the building is to be checked within the next few days.

During their meeting Monday night the church officials praised the New Oxford fire company, Eugene Overbaugh, chief, for its quick work in bringing the fire under control. The churchmen announced that they have been offered and have accepted pews and a piano for the church. They asked that anyone desiring to donate furniture suitable for use in church or Sunday school, kitchen furnishings or kitchen utensils contact either the pastor, the Rev. William Yingling, Hanover, or the superintendent, Mr. Miller. Any church having song books no longer in use was asked to contribute them to the congregation.

Announcement was made that Charles Taylor, supervising principal of the schools of the Lower Adams County Jointure, has offered use of the Green Springs schoolhouse for the conducting of services until the church is repaired. Sunday school will be held in the schoolhouse on Sunday morning at 10 o'clock.

Firemen's Memorial Service On Sunday

The 24th annual memorial service of the Adams County Volunteer Firemen's association will be held Sunday afternoon at 2 o'clock, Roger Myers, Fairfield, secretary of the county firemen announced today.

The service, with the Rt. Rev. Msgr. Patrick F. McGee delivering the address, will be held in Annunciation grade school in McSherrystown.

BICYCLE RETURNED

A Halloween trick was found responsible for the disappearance of the bicycle reported stolen this week by Mrs. Paul Anzenberger, 243 North Washington street. The bicycle had been taken October 30 and hidden. The notice in The Gettysburg Times Tuesday that the bike had been reported stolen resulted in its return.

SOROPTIMISTS INVITE CLUBS TO 12TH DINNER

Representatives of the Rotary, Lions and Exchange clubs, the Business and Professional Women's club and the Woman's Club of Gettysburg, as well as Soroptimist clubs of Harrisburg, Chambersburg, Carlisle, York, Hanover and Westminster, will be invited to attend the birthday anniversary dinner of the Gettysburg Soroptimist club at the Hotel Gettysburg Tuesday evening, November 28.

Members of the board of directors will act as hostesses for the affair, marking the 12th anniversary of the club. The dinner will be held at 6:30 o'clock, and will be formal. Members may bring guests. Tickets will be \$2.75. Letters of invitation will be sent to the other clubs, it was announced at a business meeting of the Soroptimist club held Tuesday night at the YWCA.

Three New Members

Mrs. Elizabeth Hennig, president, presided at the meeting. One new member, Mrs. John H. Basehore, was introduced. Two additional new members, not able to be present, were announced. Mrs. George Ditchburn, Gettysburg, and Miss Anna Weaver, Littlestown.

The club voted to fill Christmas requests of three children under the care of the county Rural Child Welfare services. Their names and ages were obtained by Mrs. David Bloch. Some of the gifts were donated by members while others gave cash contributions for the gifts. The presents will be taken to the Bloch jewelry store before December 1, so that they may reach the child welfare on that date.

Plan Xmas Dinner

Two benefit projects were announced. The club voted to hold a perfume sale, and in March will hold a rummage sale. It was announced that there will be no business meeting in December. The Christmas dinner party will be held December 26.

Mrs. Milo Gallinger, chairman of the May dinner meeting, told members of plans to hold the dinner with the Spring Grove club.

The club received an invitation to attend a benefit card party to be given by the Chambersburg club on November 21, at College Inn. Several local members plan to attend.

Mrs. Samuel Higinbotham, Littlestown, official delegate to the fall conference of the North Atlantic region last month at Atlantic City, presented her report.

72 Attend Father And Son Banquet

Seventy-two fathers and sons attended the annual Father and Son banquet Tuesday night at Trinity Evangelical and Reformed church. Clyde Spangler, superintendent of the church school, was toastmaster for the program which followed a turkey dinner served by members of Zwingli circle.

Dr. C. N. Gilt spoke briefly for the fathers, and Harry Spangler for the sons. The Rev. Arthur Leeming, superintendent of the Hoffman orphanage, was the principal speaker, taking as his subject, "Men Working." Following his talk, several movie cartoons were shown, and there was group singing.

Harry Little had the largest family present, a son, son-in-law and two grandsons. T. J. Winebrenner was the oldest father present and LeRoy H. Winebrenner the oldest son. George Ollinger was the youngest father and David Eckert the youngest son.

Red Forces Smash Back South Koreans On UN Line

Seoul, Nov. 15 (P)—Red battalions smashed back South Korean troops at two widely separated points on the United Nations' line last night and today. Attacking Communists drove the Republic of Korea (ROK) Eighth Division back four miles near Tokchon on the western front.

The attack, in battalion strength, began Tuesday night and continued Wednesday morning. By noon the ROK Eighth Division had withdrawn to the south bank of the Taedong river, four miles east of Tokchon. This is on the right flank of the U.N. western front.

On the extreme northeastern front six tank-led North Korean assault battalions tore five holes through the ROK Capital Division line late Tuesday. The South Koreans counterattacked, closing the gaps, the U. S. 10th Corps said.

Violent Red Assaults

Violent Red assaults were continuing in the area, 90 miles southeast of the Soviet border. But, a spokesman said, "No ground was lost."

These Communist attacks were in sharp contrast to lack of opposition encountered by other U.N. troops advancing carefully in North Korea's bitter cold.

American troops reached the shores of North Korea's two largest reservoirs which produce power also for Manchuria. They sent patrols inside the ancient walled city of Yongbyon, and probed out in front of their lines. The British Commonwealth 27th Brigade advanced half a mile and patrols entered Pakchon on the northern front.

Unexplained Actions

They found well-prepared but abandoned defenses, with signs that Chinese Communists recently had left them. Some points were abandoned so hurriedly that ammunition, supplies and individual packs were left behind.

An intelligence spokesman at General MacArthur's headquarters said he had no idea why the Chinese were abandoning their positions.

A U. S. First Corps spokesman on the western front said the Chinese are using North Koreans as a screen to fight U.N. troops while Chinese Reds prepare stronger defense lines to the rear. He said Chinese officers are reorganizing remnants of the North Korean army into effective fighting units.

There was no explanation of why little or no opposition was encountered around the great Changlin and Pujon reservoirs. Defense of these two vital dams earlier had been cited as one probable reason Chinese Red troops poured into Korea.

Parka-clad U. S. Marines, winding through gorges so narrow that their artillery could not follow, took Hagru at the southern tip of Changlin reservoir without opposition.

COMPLAINTS OF CHISELING ARE BEING PROBED

Two men appeared before the county public assistance board Tuesday evening at a meeting held in the assistance office on North Washington street to ask the board to investigate whether five people whom they listed are illegally receiving assistance.

The board promised a thorough investigation of the charges and withheld the names and the names of the informants at the latter's request. The two appeared before the board in answer to a request published in The Gettysburg Times that any person who may have evidence that anyone is illegally securing assistance report the fact to the board.

A public invitation that all persons knowing of anyone illegally obtaining assistance report the fact to the board was made following publication of a letter to the editor of The Gettysburg Times claiming that an unnamed family was obtaining relief when member were not entitled to it. The two men who appeared Monday night said they were not the authors of the letter, but had come in response to the invitation. They said they believed the persons they named are concealing employment which would make them ineligible for relief.

Case Load Declines

The number of cases on the assistance roles continues to decline, the report presented to the board by the director, Mrs. Verna Myers disclosed. During the past year the number of cases has dropped by 121. On November 1, 1949, there were 810 cases on the rolls. As of November 1 this year the number of cases was 689.

Meetings Are Held
Youth Fellowship of Redeemer's Reformed church met on Sunday evening at 6 o'clock in the social hall of the church. Phyllis Higinbotham was the leader for the evening, she led the discussion of the topic, "Famous Characters of the Old Testament." Games were played during the social hour. Rev. Frank

ROTARY MARKS

titude of the progressive. We must look forward to the future; and we must have the attitude of the conservative. We must look backward to our beginnings and learn from our traditions. And on top of that we must have the inward look of the Christian to determine what we are in relation to God. By combining those three points of view our American civilization can continue on to ever greater heights.

We are the youngest of the nations, and the mightiest, principally because we have had at one and the same time all three of those view points. There is danger when any becomes dominant. Germany, Italy and Japan all looked forward and forgot their past and forgot Christianity and all three fell England forgot her conservatism and is attempting socialism and the greatest empire the world has ever seen is no more.

Perhaps our greatest danger today is the fact that we seem to have lost much of the great belief our forefathers had in Christianity. And that belief led them to believe in themselves and in the future. Today we are fearful, without belief in ourselves, in our purpose, our religion or the future.

80 At Meeting
But we are returning to that belief in Christianity. And I believe the next big change ahead of us is a great revival of religion. There are many encouraging signs. Our present days, I believe, mark the first time in history when business and businessmen adventure church-going and urge church attendance. And I know they mark the first time in history when diplomats have called in the ministers, as they have in the United Nations, to ask the advice of the pastors in world affairs.

Eighty attended the meeting Monday Dr. Kenneth Smoke, president of the Gettysburg club presided. Charles Ritter, vice president of the Littlestown Rotary club, introduced the 17 Littlestown Rotarians present.

Mrs. Richard Fick and Dr. Frederick Tilberg sang several numbers accompanied at the piano by Philip McGuire.

E. Reynolds, pastor of the church, was in charge of the entertainment. The leader in charge for next week's meeting will be Jean Morehead.

Rev. David S. Kammerer was the leader for the weekly Christian Endeavor meeting at St. Paul's Lutheran church on Sunday evening. A duet was sung by Carolyn and Alvina Grotz. Dean Yealy read the scripture followed by the discussion of the topic, "Needs Christians Can Meet," by the leader, Rev. David S. Kammerer. Readings concerning the topic were given by Evelyn Dickinson, Dean Yealy, Donald Kump, Albert Stock and Robert DeGroot. The leader for the meeting next week will be Albert Stock.

C. Glenn Reaver, Two Taverns, was the guest speaker at the Christian Endeavor meeting at St. John's Lutheran church on Sunday evening. Mr. Reaver is president of the Third District Sunday School association and the topic he discussed was "Needs Christianity Can Meet." The meeting Sunday night opened with a song service. Scripture was read and a prayer was offered by Mrs. Robert Klunk. A duet was sung by Susan and Joyce Strevig. The discussion period was then conducted. Next Sunday evening the Rev. Kenneth D. James, pastor of the church, will be the leader and "Thanksgiving" will be his topic. Miss Lydia Sontz, Littlestown, will be guest soloist.

County initiation will be held on Thursday evening at 8 p.m. in the lodge rooms of the P. O. S. of A. hall for Littlestown Castle No. 31, Ancient Order of Knights of the Mystic Chain. King Arthur Castle degree team of Emigsville will confer the second degree and the Littlestown degree team will confer the third degree. A business meeting of the Littlestown Castle will be conducted at 7 o'clock.

Japanese Welfare Worker Observing

Miss Tatsuko O'Hara, child welfare worker from Japan, today began a three-day study of how the Adams County Rural Child Welfare services are operated.

A native of Japan who will help establish child welfare services in that country, Miss O'Hara is to be here today, Thursday and Friday to observe the type of work carried out by the county services and the type of organization set up to do the work.

This morning she and Miss Christine Cunningham, county child welfare services secretary, met with the Adams county commissioners at the court house to discuss the organizational set-up of the services. Later she will meet with Judge W. C. Sheely and visit various homes in the county where children under care of the child welfare services live.

Thursday evening she will be a guest of the advisory board of the welfare services at a dinner at the Hotel Gettysburg.

College Grad Is Wounded In Korea

Second Lieut. James R. Watson, 24, was wounded in action in Korea late in October, his parents, Mr. and Mrs. Lester K. Watson, York, R. 1, near Shiloh, were notified by the Secretary of Defense in a telegram received at 5 p.m. Tuesday.

Attached to the 17th Regimental combat team of the 7th Division, Watson was in the beach attack at Iwon, North Korea, his parents said. His last letter, October 26, was written while he was still aboard ship awaiting the invasion.

In June, Watson was one of 24 ROTC students in eastern Pennsylvania to be awarded direct Army commission. He had just graduated from Gettysburg college when he entered the service for the second time. He was in the Army for one and half years following his graduation from York high school in 1944.

Jesuit Chaplain Conducts Mission

The Rev. Fr. James A. Martin, S. J., chaplain major in the Air Force, lecturer, and preacher, is conducting a week's mission at the Church of St. Ignatius Loyola, the old Jesuit Mission in Buchanan Valley. The mission services are held each evening at 7:30 o'clock and will come to a solemn closing next Sunday afternoon at 3 o'clock. Father Martin is a member of the Jesuit Preachers' Group and will leave Buchanan Valley to conduct a retreat for the Loyola college students, Baltimore.

Following the tradition of the Jesuit order, Father Martin has traveled widely. His educational work has taken him to Hawaii, Japan, China, Hong Kong and the Philippine Islands. Three years were spent at the Jesuit college in Manila as professor of the classics and director of athletics. Following his return to this country he was appointed to the staffs of St. Joseph's college, Philadelphia, and Georgetown university, Washington, D. C.

When the World War II broke Father Martin enlisted immediately in the Air Force Chaplains' corps. Serving with the 12th Air Force, he saw 34 months in Africa, Pantelleria, Sicily, Italy and France. At present he is a member of the Air Force reserve with the rank of major serving with the AACs in Washington, D. C.

The Rev. Fr. Louis J. Yeager is pastor of St. Ignatius church, Buchanan Valley.

PRESBYTERIAN

(Continued from Page 1)
Opening devotions were conducted by Miss Edna Garretson on the theme of "Thanksgiving." Members of Circle No. 4 were in charge of the program and refreshments for the evening.

To Buy Projector
Miss Anna Oxolins of Latvia, a student at the Gettysburg Lutheran Theological seminary, was the guest speaker. She contrasted life in middle Europe with America.

Reports of Circle chairmen were given and a letter was read from the pastor, the Rev. Clyde R. Brown, congratulating the Guild for its services in serving a meal to Carlisle Presbytery here in September. Mrs. Clyde Brown reported on the World Community Day service at the Reformed church and Mrs. Keith and Mrs. Wayne Keet volunteered to assist with communion service preparations.

The Guild voted to buy a slide and roll film projector for the use of the church school and other church groups and plans for Harvest Home Sunday on November 19 were announced. Circles were asked to turn over their funds to the Guild treasurer, Mrs. Mark Johns, by December 15. Circle reports will be due in January. Mrs. Paul Ketterman and Mrs. H. C. McIlhenny were appointed as auditors.

COMPLAINTS OF

(Continued from Page 1)
That marked a drop of 22 during the past month, from 711 on October 1 to 689.

Mrs. Myers said part of the decrease could be credited to the increase in social security rates. A number of persons drawing social security were being given supplemental grants because the amount they received was too low for them to live on. When social security increased the supplemental aid was dropped, she said.

Employment Better

A general brightening of the employment picture is also reflected by the decrease in those on assistance, she added. Where a year ago 106 were obtaining general assistance, now the number is 78. Where 142 cases of aid to dependent children were listed a year ago now there are 118. Even the number of blind pensions has declined, from 102 to 97. The number of old age grants has dropped from 460 last November to 396 at the present time.

A report was presented on the increase in assistance grants made during the past month. In April, the amount of assistance was decreased because of the decreased cost of living. The average drop was \$2.23 per month per person. The increase ordered in October to take care of the rise in the cost of living average out to \$1.56 per month per person, it was reported.

Scout and Explorer Posts. Women who serve as den mothers were paid a special tribute by David M. Dickson, field executive of Conewago, Round Top and Black Walnut districts, for their services to the district.

Troop 107, McSherrystown, also was complimented and cited by Dickson for being the only troop in the Harrisburg Diocese to attain the honor of being the "Bishops' Troop" for three consecutive years.

College Dean Speaks

The principal address was delivered by Dr. Wilbur E. Tilberg, dean of Gettysburg college, and former council president. He is wearer of the Silver Beaver.

The invocation was offered by Rev. J. B. Reed, Jr., pastor of Lehrs Memorial EUB church, and the benediction pronounced by Rev. Anthony J. McGinley, assistant rector, Annunciation church, McSherrystown. Dinner music was furnished by Clyde E. and Clyde L. Mummert. The fun and stunt program was in charge of William O. Randall and installation ceremonies were conducted by Dickson.

Eighty-two scouts, cubbers, advisers and their friends were served a turkey dinner by the ladies of Gideon Grange 2010, Patrons of Husbandry.

MARION MOTLEY LEADS PROS IN GROUND ATTACK

Philadelphia, Nov. 15 (AP)—Marion Motley has moved into the lead for National Football league ground-gaining honors, but Steve Van Buren is moving up fast.

Thus, it began to appear today that the anticipated Motley-Van Buren duel for the NFL ground-gaining championship is materializing.

Motley, 240-pound Negro fullback for the Cleveland Browns, hopped over Pittsburgh's Joe Geri into first place with 568 yards, gained in 97 tries. Van Buren, injured and used sparingly in the first four games of the champion Philadelphia Eagles, zoomed into fifth place, 96 yards behind Motley and with one more game to play than the Browns' star.

Geri retained second place with a net of 501 while Zolzie Toth of the New York Yanks ranked third with 493 and John (Strike) Strzykowski of the San Francisco 49ers held fourth with 490.

Motley and Van Buren each had good days on Sunday, Motley picking up 114 yards against San Francisco and Van Buren gained 108 against Washington.

Rams' Aerialists Lead

The Los Angeles Rams held onto their passing leadership by placing two aerial experts among the top three of the league, Norm Van Brocklin in first place and Bob Waterfield in third. George Ratterman of the Yanks was sandwiched in the second spot.

Van Brocklin topped Waterfield in yardage with 1,569 to 1,057 but Waterfield was a shade better in average with a mark of 54.8 to 52.1 for Van Brocklin. The latter ranked first on the basis of 9.28 yards gained per pass while Waterfield had 7.82.

Ratterman topped the league in yardage with 1,689 and in touchdown passes with 18 but his average gain of 8.66 yards was less than Van Brocklin's.

Geri ranked fifth among the league passers with 735 a shade behind Cleveland's Otto Graham, who has a mark of 7.49 yards per pass.

Tom Fears of Los Angeles continued to hold a long lead in pass receptions with a total of 48 caught good for 749 yards. Mac Speedie of Cleveland was second with 37 receptions but his yardage of 487 was less than the 638 picked up by Bob Shaw of the Chicago Cardinals on 31 receptions and 522 by Dan Edwards of the Yanks with 34 catches.

Johnny Lujack of the Chicago Bears was far ahead in total points with 91. Doak Walker of Detroit was second with 67.

Sports Roundup

By RUGH FULLERTON, JR.

New York, Nov. 15 (AP)—Maryland's

Jim Tatum offers the theory that modern defensive football has just about done away with the practice of signaling plays from the bench.

"When I was in college," said Jim in the course of rambling through a dozen or so assorted observations for the local football writers, "I was quarterback although I played tackle . . . on every play, one of the ends would look at the bench for the signal and relay it to me. . . . Now they change defenses on every play and a coach would be silly to signal a play after looking at the setup."

. . . The quarterback has to be a coach instead . . . If a well-balanced attack is what wins football games, how come Rutgers only has a 4-3 record? After seven games, Rutgers has a net gain of 1,083 yards by rushing and 1,083 yards by passing.

BLASTS ROCK PORT ARTHUR

Port Arthur, Tex., Nov. 15 (AP)—A series of seven explosions rocked a sprawling oil refinery near this Gulf coast city early today. Three men were injured, one critically.

The blasts set off fires which were brought under control about 6 a. m. (CST) and extinguished about two hours later.

The huge refinery and tank farm belongs to the Gulf Oil corporation of Houston. A company spokesman said the explosions and fire began as escaping gas struck a fire box.

Morgan Swinney, 42, was critically burned. Francis Lawrence, 49, a worker, and R. T. Smith, 58, were seriously hurt. Lawrence by burns and Smith when he was knocked down by concussion.

The refinery is only 70 miles up the angling Texas coast line from the site of the 1947 Texas City disaster in which more than 500 persons were killed.

The explosions forced Gulf to close down its huge catalytic cracking unit, vital in processing petroleum for aviation gasoline. The firm said the unit may be back in operation Monday or Tuesday.

CANNERS HOST TO PARENTS AT GRID DINNER

Biglerville's annual junior-senior high school football banquet will be held Wednesday evening, November 22, at the Biglerville school cafeteria.

For the second straight year parents will be guests of the school. Approximately 150 parents are expected to attend.

Donald Enders, supervising principal of Camp Hill schools, and a well-known scholastic football official, will be the speaker. Enders is a graduate of Gettysburg college.

The invocation will be given by the Rev. Nevil R. Frantz, Arendtsville, whose son is a member of the junior high squad. Charles B. Spicer, who son is a member of the high school will speak for the parents.

Members of the senior high squads will be presented by Coaches Russell Kane, Hobart Benchoff and Charles Goodling while the junior high squad members will be introduced by Clair Settle and Bruce Sheets.

BOUDREAU TO GET RELEASE

Cleveland, Nov. 15 (AP)—The Cleveland Indians dropped their plans to get Lou Boudreau a new job and assured him Tuesday that within a week he could go out and look for himself.

That's the way the former manager-shortstop wants it.

Told at his home in Harvey, Ill. that the Tribe was seeking waivers to get him an unconditional release, Boudreau said he had "no immediate plans of any kind" and added:

"That's why I asked for my unconditional release. I'll be able to make plans now. As it was, before being released, everything was out of my hands."

He said he would be "happy to get the job" of managing the Pittsburgh Pirates but that nobody has offered it to him.

With Boudreau's name on the waiver list every club in both major leagues can speak for him. But to get him in that manner would have to pay his 1950 salary less a maximum cut of 25 per cent. Boudreau is believed to have received around \$65,000. He has the option of refusing, too.

Meeting Today
President Bruce Dudley called a meeting of the mid-western Class AAA minor league for today. He said it was for the purpose of figuring out the 1951 schedule.

There was immediate speculation, however, as to whether the association might do some official talking about the Pacific Coast league's request to be exempt from the major league draft. One proposal has been made to put the Coast league in a new Class AAA.

It isn't expected to find much favor, however with either the Association or the International League. The Pacific Coast, the Association and the International now are in Class AAA.

The majors' draft meeting will be held tomorrow morning. Scouts and farm officials have had an opportunity to scan the list of hundreds of minor leaguers who are eligible to be drafted.

The disposal of the Radio-TV world series money is the knotty problem to come before the joint major league gathering.

TRUCK KILLS DRIVER
Phoenixville, Pa., Nov. 15 (AP)—The brakes of a trailer truck failed and the vehicle rolled over its driver while he was inspecting the undercarriage, killing him, police reported.

William J. Logue, 46, of Clifton Heights, Pa. was the victim of the fatal accident yesterday on nearby Pawling road.

The withering tentacles of the giant squid sometimes reaching 30 feet in length, are believed responsible for some sea serpent stories.

Junior High Game Moved To Thursday

The Gettysburg-Mechanicsburg junior high school football game, originally scheduled for Friday, has been moved up to Thursday evening at 7:30 o'clock when it will be staged at Mechanicsburg.

Mechanicsburg officials requested the change due to the variety Mechanicsburg-Chambersburg game at Chambersburg on Friday.

Coach Rogers Herr's outfit has a record of two wins against four defeats for the season and will conclude their season with Thursday's game.

MAJOR LEAGUE MOGULS GATHER IN CINCINNATI

Cincinnati, Nov. 15 (AP)—They'll be shoveling on the coal in baseball's "hot stove league" here for the next two days.

Club owners, farm system heads, scouts, managers and a scattering of players began rolling in today for a series of meetings that will cover both major leagues and the American association.

The top affairs will be held tomorrow.

First will be the annual draft by the major leaguers of players from the minor leagues. Then will come separate meetings for directors of the American and National leagues and a joint session of both organizations to decide what to do with \$975,000 derived this year from the sale of world series radio and television rights.

The draft and the joint meetings will be held with Baseball Commissioner A. B. Chandler and Secretary of Baseball Walter Mulberry. Even before that, however, the American association directors will be in a huddle.

Meeting Today
President Bruce Dudley called a meeting of the mid-western Class AAA minor league for today. He said it was for the purpose of figuring out the 1951 schedule.

There was immediate speculation, however, as to whether the association might do some official talking about the Pacific Coast league's request to be exempt from the major league draft. One proposal has been made to put the Coast league in a new Class AAA.

It isn't expected to find much favor, however with either the Association or the International League. The Pacific Coast, the Association and the International now are in Class AAA.

MARION MOTLEY LEADS PROS IN GROUND ATTACK

Philadelphia, Nov. 15 (AP)—Marion Motley has moved into the lead for National Football league ground-gaining honors, but Steve Van Buren is moving up fast.

Thus, it began to appear today that the anticipated Motley-Van Buren duel for the NFL ground-gaining championship is materializing.

Motley, 240-pound Negro fullback for the Cleveland Browns, hopped over Pittsburgh's Joe Geri into first place with 568 yards gained in 97 tries. Van Buren, injured and used sparingly in the first four games of the champion Philadelphia Eagles, zoomed into fifth place, 96 yards behind Motley and with one more game to play than the Browns' star.

Geri retained second place with a net of 501 while Zolzie Toth of the New York Yanks ranked third with 493 and John (Strike) Strzykalski of the San Francisco 49ers held fourth with 490.

Motley and Van Buren each had good days on Sunday, Motley picking up 114 yards against San Francisco and Van Buren gained 108 against Washington.

Rams' Aerialists Lead

The Los Angeles Rams held onto their passing leadership by placing two aerial experts among the top three of the league. Norm Van Brocklin in first place and Bob Waterfield in third. George Ratterman of the Yanks was sandwiched in the second spot.

Van Brocklin topped Waterfield in yardage with 1,569 to 1,057 but Waterfield was a shade better in average with a mark of 54.8 to 52.1 for Van Brocklin. The latter ranked first on the basis of 9.28 yards gained per pass while Waterfield had 7.82.

Ratterman topped the league in yardage with 1,689 and in touch-down passes with 18 but his average gain of 8.66 yards was less than Van Brocklin's.

Geri ranked fifth among the league passers with 7.35 a shade behind Cleveland's Otto Graham, who has a mark of 7.49 yards per pass.

Tom Fears of Los Angeles continued to hold a long lead in pass receptions with a total of 48 caught good for 749 yards. Mac Speedie of Cleveland was second with 37 receptions but his yardage of 487 was lower than the 638 picked up by Bob Shaw of the Chicago Cardinals on 31 receptions and 522 by Dan Edwards of the Yanks with 34 catches.

Johnny Lujack of the Chicago Bears was far ahead in total points with 91. Doak Walker of Detroit was second with 67.

PLAN WRESTLING BOUTS

Harrisburg, Nov. 15 (AP)—The 1951 wrestling championships of the Pennsylvania Interscholastic Athletic Association will be held in Johnstown's new War Memorial arena next March 10. The state championship, PIAA officials announced yesterday, will be a one-day affair for the first time. The finals formerly lasted two days.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Nov. 15 (AP)—Maryland's Jim Tatum offers the theory that modern defensive football has just about done away with the practice of signaling plays from the bench. "When I was in college," said Jim in the course of rambling through a dozen or so assorted observations for the local football writers, "I was quarterback although I played tackle. . . on every play, one of the ends would look at the bench for the signal and relay it to me. . . Now they change defenses on every play and a coach would be silly to signal a play after looking at the setup."

The quarterback has to be a coach instead. . . If a well-balanced attack is what wins football games, how come Rutgers only has a 4-3 record? After seven games, Rutgers has a net gain of 1,083 yards by rushing and 1,083 yards by passing.

Jose Gatica, Charley Johnston's South American lightweight, is in a pet about the commission rule that prevents his wearing red trunks in fights. He upholds his reputation as a "colorful" fighter by switching three pairs of ring shoes—red, white and blue, to suit the occasion.

Another fashion note: The Chicago White Sox will wear pin stripe home uniforms next season. That may make them look like the Yankees until the first game starts.

BLASTS ROCK PORT ARTHUR

Port Arthur, Tex., Nov. 15 (AP)—A series of seven explosions rocked a sprawling oil refinery near this Gulf coast city early today. Three men were injured, one critically. The blasts set off fires which were brought under control about 6 a.m. (CST) and extinguished about two hours later.

The huge refinery and tank farm belongs to the Gulf Oil corporation of Houston. A company spokesman said the explosions and fire began as escaping gas struck a fire box.

Morgan Swinney, 42, was critically burned. Francis Lawrence, 49, a worker, and R. T. Smith, 58, were seriously hurt. Lawrence by burns and Smith when he was knocked down by concussion.

The refinery is only 70 miles up the angling Texas coast line from the site of the 1947 Texas City disaster in which more than 500 persons were killed.

The explosions forced Gulf to close down its huge catalytic cracking unit, vital in processing petroleum for aviation gasoline. The firm said the unit may be back in operation Monday or Tuesday. The huge refinery can process up to 230,000 barrels of oil daily.

CANNERS HOST TO PARENTS AT GRID DINNER

Biglerville's annual junior-senior high school football banquet will be held Wednesday evening, November 22, at the Biglerville school cafeteria.

For the second straight year parents will be guests of the school. Approximately 150 parents are expected to attend.

Donald Enders, supervising principal of Camp Hill schools, and a well-known scholastic football official, will be the speaker. Enders is a graduate of Gettysburg college.

The invocation will be given by the Rev. Nevil R. Frantz, Arendtsville, whose son is a member of the junior high squad. Charles B. Spicer, who son is a member of the high school, will speak for the parents.

Members of the senior high squads will be presented by Coaches Russell Kane, Hobart Benchoff and Charles Gooding while the junior high squad members will be introduced by Clair Settle and Bruce Sheets.

BOUDREAU TO GET RELEASE

Cleveland, Nov. 15 (AP)—The Cleveland Indians dropped their plans to get Lou Boudreau a new job and assured him Tuesday that within a week he could go out and look for himself.

That's the way the former manager-shortstop saw it.

Told at his home in Harvey, Ill., that the Tribe was seeking waivers to get him an unconditional release, Boudreau said he had "no immediate plans of any kind" and added:

"That's why I asked for my unconditional release. I'll be able to make plans now. As it was, before being released, everything was out of my hands."

He said he would be "happy to get the job" of managing the Pittsburgh Pirates but that nobody has offered it to him.

With Boudreau's name on the waiver list every club in both major leagues can speak for him. But to get him in that manner would have to pay him 1950 salary less a maximum cut of 25 per cent. Boudreau is believed to have received around \$65,000. He has the option of refusing, too.

Woodcock Beaten; Gives Up Boxing

London, Nov. 15 (AP)—Bruce Woodcock's handlers have tossed in their last towel.

The one-time British heavyweight ruler, who at times bled so often he began to look like a leaky blood bank, hung up his gloves for good last night.

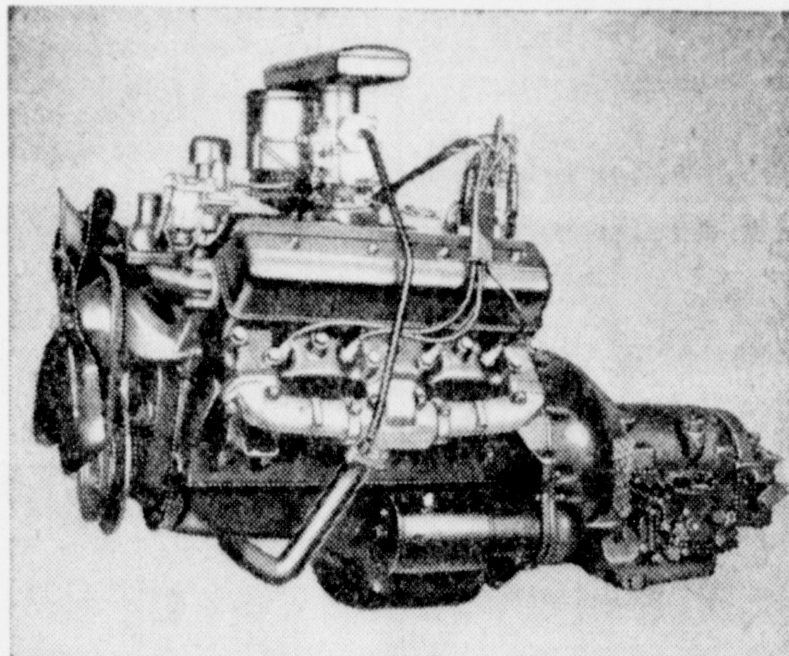

With British and British Empire titles on the line, a tired Woodcock was beaten into submission in 11 rounds by Jack Gardner, a 24-year-old chicken farmer.

The 29-year-old Woodcock—a gory mass of humanity—lay on his dressing room table afterwards and muttered:

"I'm giving it up. I've had enough."

The writhing tenacles of the giant squid, sometimes reaching 30 feet in length, are believed responsible for some sea serpent stories.

Sister Rescues Babe As Fire Sweeps Home

Duboisstown, Pa., Nov. 15 (AP)—An eight-month-old baby girl was saved by her big sister—11-year-old Donna Rae Smith—as fire swept the interior of their home near this Lycoming county community.

Fire Chief Beryl J. Steinbacher said little Donna Rae and four other small sisters and brothers fled the building when flames broke out while their parents were away.

He said the little girl, remembering Susan, the baby, made her way back into the house through smoke and carried the infant outside.

Cause of the fire, the chief said, was an overheated chimney. The entire interior of the seven-room house was destroyed.

Mrs. Rudisill and John Bittinger were the baptismal sponsors of Margaret Mary.

Japanese Welfare Worker Observing

Miss Tatsuko O'Hara, child welfare worker from Japan, today began a three-day study of how the Adams County Rural Child Welfare services are operated.

A native of Japan who will help establish child welfare services in that country, Miss O'Hara is to be here today, Thursday and Friday to observe the type of work carried out by the county services and the type of organization set up to do the work.

This morning she and Miss Christine Cunningham, county child welfare services secretary, met with the Adams county commissioners at the court house to discuss the organizational set-up of the services. Later she will meet with Judge W. C. Sheely and visit various homes in the county where children under care of the child welfare services live.

Thursday evening she will be a guest of the advisory board of the welfare services at a dinner at the Hotel Gettysburg.

College Grad Is Wounded In Korea

Second Lieut. James R. Watson, 24, was wounded in action in Korea late in October, his parents, Mr. and Mrs. Lester K. Watson, York, R. 1, near Shiloh, were notified by the Secretary of Defense in a telegram received at 5 p.m. Tuesday.

Attached to the 17th Regimental combat team of the 7th Division, Watson was in the beach attack at Iwon, North Korea, his parents said. His last letter, October 26, was written while he was still aboard ship awaiting the invasion.

In June, Watson, was one of 24 ROTC students in eastern Pennsylvania, to be awarded direct Army commission. He had just graduated from Gettysburg college when he entered the service for the second time. He was in the Army for one and half years following his graduation from York high school in 1944.

Jesuit Chaplain Conducts Mission

The Rev. Fr. James A. Martin, S. J., chaplain major in the Air Force, lecturer, and preacher, is conducting a week's mission at the Church of St. Ignatius Loyola, the old Jesuit Mission in Buchanan Valley. The mission services are held each evening at 7:30 o'clock and will come to a solemn closing next Sunday afternoon at 3 o'clock. Father Martin is a member of the Jesuit Preachers' Group and will leave Buchanan Valley to conduct a retreat for the Loyola college students, Baltimore.

Following the tradition of the Jesuit order, Father Martin has traveled widely. His educational work has taken him to Hawaii, Japan, China, Hong Kong and the Philippine Islands. Three years were spent at the Jesuit college in Manila as professor of the classics and director of athletics. Following his return to this country he was appointed to the staffs of St. Joseph's college, Philadelphia, and Georgetown university, Washington, D. C. When the World War II broke Father Martin enlisted immediately in the Air Force Chaplains' corps. Serving with the 13th Air Force, he saw 34 months in Africa, Palestine, Sicily, Italy and France. At present he is a member of the Air Force reserve with the rank of major serving with the AACs in Washington, D. C.

The Rev. Fr. Louis J. Yeager is pastor of St. Ignatius church, Buchanan Valley.

COMPLAINTS OF
(Continued from Page 1)
That marked a drop of 22 during the past month, from 711 on October 1 to 689.

Mrs. Myers said part of the decrease could be credited to the increase in social security rates. A number of persons drawing social security were being given supplemental grants because the amount they received was too low for them to live on. When social security increased the supplemental aid was dropped, she said.

Employment Better
A general brightening of the employment picture is also reflected by the decrease in those on assistance, she added. Where a year ago 106 were obtaining general assistance, now the number is 78. Where 142 cases of aid to dependent children were listed a year ago now there are 118. Even the number of blind pensions has declined, from 102 to 97. The number of old age grants has dropped from 460 last November to 396 at the present time.

A report was presented on the increase in assistance grants made during the past month. In April, the amount of assistance was decreased because of the decreased cost of living. The average drop was \$2.23 per month per person. The increase ordered in October to take care of the rise in the cost of living averaged out to \$1.56 per month per person, it was reported.

Report \$225 Damages In Auto Collision
An automobile driven by W. H. Stout, of York street, ran into the car of Mrs. Carrie Hull, 223 Chambersburg street, on South Straton street Tuesday night, according to a borough police report.

Police said Stout was driving out of an alley at the rear of the L. C. Hamme garage, and that Mrs. Hull was driving north on Straton street. Damage to her car was estimated at \$225. Police said Stout's car was not damaged.

A charge of failing to yield the right of way was filed against Stout, and a ten-day notice will be sent to him by Justice of the Peace John H. Basehore.

TWENTY-FIVE YEARS AGO

New Majestic Theater Opens to Large Crowd: Fifteen hundred persons of Gettysburg and Adams county were guests of the new Majestic Theatre at the opening performance Saturday night. Opinion was unanimous that the promise of the owners in constructing and that the theatre management the Higgins Amusement company, that in operating they would provide "refined entertainment, delightful music and pleasant environment," had been fulfilled.

One of the features was the numbers rendered by "Duke" Elde, of Shamokin, on the orchestral organ.

Cecil B. DeMille's master production, "The Road to Yesterday," a 10-reel film, was the screen attraction.

Many visitors from Shamokin and Philadelphia were in attendance at the opening. Manager W. E. Woodward and John F. Higgins, junior member of the Higgins company, were congratulated on every side.

Stockholders of Heel Firm Offered Stock: Persons who hold the \$119,500 worth of the original capital stock of the Sure Foot Heel and Rubber company will have first opportunity to purchase stock in the newly reorganized company.

This is the announcement of Roy P. Funkhouser, manager of the concern, which was purchased by his brother, R. J. Funkhouser, Hagerstown, Saturday afternoon, at a receiver's sale, for \$24,300. Roy P. Funkhouser, who has been receiver and manager of the plant for the past two months, will continue as manager.

Local Couple Is Wedded Saturday: Miss Gertrude Jeffcoat, daughter of Mr. and Mrs. James Jeffcoat, and Harold Keller, both of Gettysburg, were married on Saturday in Westminster, Md., by the Rev. J. N. Gardner. The bride is employed at the Eagle Silk mill and the bridegroom at the Gettysburg Panel company.

Rev. Cole Eulogizes Fallen Heroes: In a reverent, though altogether unpretentious manner, Gettysburg celebrated Armistice Day on Wednesday, the feature being the services commemorating the close of the war seven years ago, in Center Square promptly at 11 o'clock.

The exercises followed a small parade of ex-service men from the Albert J. Lentz American Legion home, led by the drum corps of the post, Arthur R. Jones, commander of the post, introduced the speaker, the Rev. Charles C. Cole, pastor of the Methodist Episcopal church.

Local Women at State Luncheon: More than 600 members of the Pennsylvania Council of Republican Women, including a number from Gettysburg and Adams county, attending the third annual convention of their organization in Harrisburg, Tuesday, were guests of Mrs. Clifford Pynchot, at a supper at the executive mansion, Harrisburg, Tuesday evening.

Those present from Gettysburg and Adams county were Mrs. J. Price Oyler, Mrs. N. L. Minter, Mrs. Edward Swope, Mrs. H. H. Thomas, Mrs. Ralph Wierman, Miss Mary McCaughy and Mrs. Anna March, Gettysburg, and Mrs. Maude Wierman Kennedy and Mrs. Myers, of York Springs.

200 Attend Dance of Local Legion: More than 200 young people, comprising largely ex-service men and their ladies, attended the Armistice Day dance of Albert J. Lentz Post, American Legion, in the ballroom of the new Hotel Gettysburg on Wednesday. The Penn Ramblers furnished music.

Prizes for the winners of an "old fashioned" waltzing contest were won by Harry Culp and his daughter, Miss Madolyn Culp. Mrs. C. E. Sloane and Sergeant Frank Stokes were the second choice of the judges. Miss Bobbie Gilbride, of Wilmington, Del., guest of Miss Anna Geiselman, delighted the dancers with several solo dances.

Edwin Marcham Thrills Hearers:

Today's Talk

By GEORGE MATTHEW ADAMS
SENSE OF WONDER

Our first consciousness is one of wonder. Little by little the mysteries and secrets of the earth are revealed to us. Note with what rapt attention the first sound of a bell attracts the senses of a child. All life is an unfolding of wonders. Even advanced age remains alert to them.

Each Autumn seems to have just a little bit more beauty of color to it than the ones remembered. Something listened to, read, or seen, for the moment at least, seems to surpass all former experiences. This is what happens to us when we cling to our sense of wonder, and keep it alive.

I can never forget the inspiring example of a science teacher that I had in college. He made us all feel exalted as he explained the discoveries that man had made, and of the lessons behind them all. His gestures, the glow of his eyes, and his reverent attitude kept us spellbound. Well could he have said: Never lose your sense of wonder.

The green earth, with its hills, mountains, streams, bodies of water, its rock formations, and the stars and heavenly bodies all about our traveling earth, are all as fascinating and filled with wonder today as when first sensed. Indeed I feel that they become richer to us all, because of the understanding of them and the increasing knowledge that comes to us year by year.

Even with all the knowledge we have of this earth, with its natural formations, its plants, trees, animal life, bird and insect creations, we never cease to wonder at the meaning of it all. We are reminded of the Creative Mind over all, and that fills us with additional wonder. We are humbled and made reverent. The beauty of it all fills us with a sense of spiritual splendor.

Before me, outside my library as I write, are many maples, all in golden garb, but now with their foliage gently falling, leaf by leaf, to its rest upon the earth. Just a few months ago I watched these same trees give bud to the stripped branches of Winter, and watched each day the beautiful unfolding into a great green umbrella of beauty. Every change in nature and in life is a thing of wonder!

A capacity audience sat enthralled in Bruns Chapel Wednesday evening, while Edwin Marcham, author of "The Man With the Hoe," and other poems, painted a verbal portrait in glowing colors of Muse of the Arts, dealing especially with poetry.

At the request of Dr. T. L. Clime, the venerable "singer of sweet soul-stirring music," consented to tell his hearers what prompted him to write what most people consider his masterpiece, "The Man With the Hoe."

Cupid Plays Havoc with Bachelors: Miss Gladys Virginia Zercher, youngest daughter of Harry B. Zercher, Littlestown, and Clarence LeRoy Schwartz, son of Mr. and Mrs. Ira S. Schwartz, Littlestown, were married in the parsonage of St. Paul's Lutheran church, Littlestown, on Thursday morning at 6 o'clock. The ring ceremony was used by the Rev. David S. Kammerer.

Miss Laura Bemiller, daughter of Mr. and Mrs. A. J. Bemiller, Silver Run, and Walter Degroff, son of Mr. and Mrs. George Degroff, Littlestown, were married in the Lutheran parsonage, Silver Run, Tuesday evening at 7:30 o'clock by the Rev. A. G. Wolf. They were attended by Mr. and Mrs. Miles Bemiller.

Rotary Club Is Five Years Old: The Gettysburg Rotary club observed its fifth anniversary at its weekly luncheon meeting at the Hoffman hotel, assisted by the ladies of the club and a score of members of the York Rotary club, with their ladies.

President William A. Miller turned the meeting over to M. C. Jones, chairman of the program committee, and an interesting program of dancing, music and speeches followed.

SCHOOLS HELD MANY AFFAIRS DURING MONTH

Reports of the supervising principal, Paul E. King, and the school nurse, Brenda B. Walker, were the main items of business at the monthly meeting of the executive board of the Littlestown school jointure, held Tuesday evening in the office of Mr. King.

Total enrollment of the jointure now is 999, of which 388 are in Littlestown; 167 in Germany township, 259 in Mt. Joy township and 185 in Union township.

Mr. King reported that the month closed with 30 days taught. Several "inservice" visits were made during the month by members of the faculty. Mrs. Walker and Mrs. Ralph Unger attended the cafeteria clinic at Bolling Springs; Rodney Law attended the Southern District Arts conference at Kutztown on November 3. Garnet Schellhase represented the Adams County branch of the Pennsylvania State Education association state-wide classroom teachers' conference at Bedford Springs on October 20 and 21. Lloyd Staveland and the staff of the Littleton Echo, the school paper, attended the York-Adams regional Press Conference at Lancaster on October 16, and Mrs. Donald Sheely attended the Southern District Pennsylvania State Education association conference at Lancaster at which time she was president of the round table group in home economics on October 27.

Mr. King listed the special activities of the month as follows: The senior play, "A Date With Judy," October 27; special assembly, David Mylan, make-up artist, October 30, and a Halloween party for the junior-senior high school on October 31. Fire prevention week was observed, with a special assembly. Henry E. Waltman, past president of the Adams County Firemen's association, addressed the student body and instructions and plans were given for fire drills.

At FHA Conference
Nine girls, together with their advisor, Mrs. Sheely, went to East Greenville, Pa., to attend the annual Region "C" conference of the Future Homemakers of America on October 21. American Education Week was observed with special programs in the grade and high schools. The high school band under the direction of Paul Harner provided music for the Pennsylvania Week celebration in St. Aloysius hall. The music was sponsored by the Littlestown Chamber of Commerce.

Report cards were given out to all pupils in the jointure, grades three to 12 on November 10. A change in marking periods will be effective after the first period. It was decided that grades will be given six times per year, divided into the equivalent number of periods and the first report cards to be given under this new program will be issued January 21, 1951. The football season closed with the junior high team being undefeated in the four-game schedule. The varsity team turned in two victories, one tie and five losses.

Practice for basketball has begun, with Robert White coaching the senior high boys and Miss Dorothy DePew coaching the senior high girls. Maurice Bream is coaching the junior high boys' team.

A first notice of illegal absence was served on a parent residing in Germany township on October 25 for the illegal absence of his son. The Mason and Dixon Memorial Post 6954, Veterans of Foreign Wars Drum and Bugle corps entertained during the half at the Hanover.

Dallastown and Littlestown game. This was in observance of Community Night. Several classes toured the Gettysburg battlefield along with their instructors as part of their course in Pennsylvania history. The magazine drive closed with a total sales of \$2,599.60 from which the school derived a profit of \$866.93 which will be divided between the athletic and music funds.

Bus Rules Are Given
On November 8 a group meeting of all bus drivers and students who ride on school buses was held in the high school auditorium. Mr. King gave instruction to both groups as to rules, regulations and conduct in going to and from school on buses. The state police showed safety pictures to the grade and high school pupils during a special assembly on November 14.

The Women's Community club is planning to hold a public dinner in the school cafeteria on December 2 to establish a fund for the purchase of new uniforms for the Senior high band.

During the month of October a total of 6,192 meals were served in the school cafeteria and the average daily number served was 282.

Mr. King announced that an electric vibra-harp was presented to the school by Samuel H. Hixson, Littlestown. He also reported that the monthly tuition rate of \$2.34 for the grade school and \$18.06 for the high school was approved by the State Department of Public Education.

Mrs. Walker's report was presented to the board by Mr. King. Receipt of germicidal lamps for the second grade room, presented to the school as a gift of Cloy and Nevaeh Crouse, Littlestown, was reported. Mrs. Walker gave first aid treatment to 84 pupils in school last month. Eighteen home visits were made and nine conferences were held with pupils in school. Mrs. Walker reported that Dr. Leonard L. Potter has completed physical examinations of all pupils in the first, third, fifth and seventh grades. Dr. Potter is now examining the ninth grade pupils. Dr. Donald B. Coover has finished his examinations in the rural schools of Germany township, Union township and Mt. Joy township. Four cases of communicable diseases were reported during last month. Two of the pupils have returned to school.

Rotary Provides Milk
Free milk was given to 30 pupils of the grade school under the sponsorship of the Littlestown Rotary club. The general health of the pupils of the Littlestown schools was reported good.

Treasurer John Schwartz reported the receipts for the month were \$14,057.37 while expenditures were: General control, \$15; instruction, \$10,239.98; auxiliary agencies, \$1,310.70; coordinate activities, \$212.50.

operation of plants, \$639.55; maintenance of plants, \$222.22, and capital outlay, \$2,061.88, a total of \$14,701.83.

Following the board meeting Mr. King took the members on a tour of the junior-senior high school building.

Directors present were Luther W. Ritter and Wilbur E. Mackley, Littlestown borough; Stanley Sell and George Worley, Union township; Luther Hess and Clayton Harget, Germany township; Arthur Bühler and John Schwartz, Mt. Joy township. Also present were Paul E. King, supervising principal, and Henry E. Waltman, secretary. The next meeting will be held Tuesday, December 12.

The Littlestown school board met at 8 p.m. on Tuesday evening with Carl Baumgardner, president, presiding. All of the local board members were present. The secretary, Luther W. Ritter, reported the following receipts: Littlestown jointure, \$6,797.77, the Littlestown National bank, \$240, and Reid C. Eppelman for fee on taxes, \$12.20.

Bills paid were \$244.04 for delinquent taxes to Reid C. Eppelman. \$342.87 for reimbursement to the state and \$989.07 for reimbursement for the summer recreational program.

Pittsburgh, Nov. 15 (AP)—A six-week strike of mailing room workers against Pittsburgh's three daily newspapers has ended but newspapers won't be hawking papers for at least several days.

The mailers and delivery truck drivers, whose contract expired after the strike began last October 1, will get a 10 cent hourly increase when they return to work and 3½ cents nine months later. The mailers' re-

jection of a flat 10-cent offer precipitated the strike. The contracts run to April 1, 1952, an 18-month period.

Employees also were granted contributory life insurance in the amount of \$6,000. The amount of employee contributions and the amount of insurance previously carried was not disclosed.

Mailers previously earned \$78.13 for a 37½ hour week. The drivers made \$81 in a 40-hour week.

There are stumbling blocks to be set aside before the presses roll again at the Post Gazette, Sun Telegraph and Press. The publishers are talking with representatives of the 10 unions representing about 2,500 newspaper workers. The non striking unions told publishers when employees were furloughed that they would expect pay for their members during the walkout.

No decision was reached on a back to work date in a meeting last night.

Another meeting will be held tomorrow.

Out Of The Past

From the Files of the

The Gettysburg Times
TWENTY-FIVE YEARS AGO

New Majestic Theater Opens to Large Crowd: Fifteen hundred persons of Gettysburg and Adams county were guests of the new Majestic Theatre at the opening performance Saturday night. Opinion was unanimous that the promise of the owners in constructing and that the theatre management the Higgins Amusement company, that in operating they would provide "refined entertainment, delightful music and pleasant environment," had been fulfilled.

One of the features was the numbers rendered by "Duke" Elde, of Shamokin, on the orchestral organ.

Cecil B. DeMille's master production, "The Road to Yesterday," a 10-reel film, was the screen attraction.

Many visitors from Shamokin and Philadelphia were in attendance at the opening. Manager W. E. Woodward and John F. Higgins, junior member of the Higgins company, were congratulated on every side.

Stockholders of Heel Firm Offered Stock: Persons who hold the \$119,800 worth of the original capital stock of the Sure Foot Heel and Rubber company will have first opportunity to purchase stock in the newly reorganized company.

This is the announcement of Roy P. Funkhouser, manager of the concern, which was purchased by his brother, R. J. Funkhouser, Hagerstown, Saturday afternoon, at a receiver's sale, for \$24,300. Roy P. Funkhouser, who has been receiver and manager of the plant for the past two months, will continue as manager.

Local Couple Is Wedded Saturday: Miss Gertrude Jeffcoat, daughter of Mr. and Mrs. James Jeffcoat, and Harold Keller, both of Gettysburg, were married on Saturday in Westminster, Md., by the Rev. J. N. Cardner. The bride is employed at the Eagle Silk mill and the bridegroom at the Gettysburg Panel company.

Rev. Cole Eulogizes Fallen Heroes: In a reverent, though altogether unpretentious manner, Gettysburg celebrated Armistice Day on Wednesday, the feature being the services commemorating the close of the war seven years ago, in Center Square promptly at 11 o'clock.

The exercises followed a small parade of ex-service men from the Albert J. Lentz American Legion home, led by the drum corps of the post. Arthur R. Jones, commander of the post, introduced the speaker, the Rev. Charles C. Cole, pastor of the Methodist Episcopal church.

Local Women at State Luncheon: More than 600 members of the Pennsylvania Council of Republican Women including a number from Gettysburg and Adams county, attending the third annual convention of their organization in Harrisburg, Tuesday, were guests of Mrs. Gifford Puchot, at a supper at the executive mansion, Harrisburg, Tuesday evening.

Those present from Gettysburg and Adams county were Mrs. J. P. Oyle, Mrs. N. L. Minter, Mrs. Edward Swope, Mrs. H. H. Thomas, Mrs. Ralph Wierman, Mrs. Mary McConaughy and Mrs. Anna March, Gettysburg, and Mrs. Maude Wierman Kennedy and Mrs. Myers, of York Springs.

200 Attend Dance of Local Legion: More than 200 young people, comprising largely ex-service men and their ladies, attended the Armistice Day dance of Albert J. Lentz Post, American Legion, in the ballroom of the new Hotel Gettysburg on Wednesday. The Penn Kambiers furnished music.

Prizes for the winners of an "old fashioned" waltzing contest were won by Harry Culp and his daughter, Miss Madelyn Culp. Mrs. C. E. Stange and Sergeant Frank Stokes were the second choice of the judges. Miss Bobbie Gilbride, of Wilmington, Del., guest of Miss Anna Gelsman, delighted the dancers with several solo dances.

Today's Talk

By GEORGE MATTHEW ADAMS
SENSE OF WONDER

Our first consciousness is one of wonder. Little by little the mysteries and secrets of the earth are revealed to us. Note with what rapid attention the first sound of a bell attracts the senses of a child. All life is an unfolding of wonders. Even advanced age remains alert to them.

Each Autumn seems to have just a little bit more beauty of color to it than the ones remembered. Something listened to, read, or seen, for the moment at least, seems to surpass all former experiences. This is what happens to us when we cling to our sense of wonder, and keep it alive.

I can never forget the inspiring example of a science teacher that I had in college. He made us all feel exalted as he explained the discoveries that man had made, and of the lessons behind them all. His gestures, the glow of his eyes, and his reverent attitude kept us spellbound. Well could he have said: Never lose your sense of wonder.

The green earth, with its hills, mountains, streams, bodies of water, its rock formations, and the stars and heavenly bodies all about our travelling earth, are all as fascinating and filled with wonder today as when first sensed. Indeed I feel that they become richer to us all, because of the understanding of them and the increasing knowledge that comes to us by year.

Even with all the knowledge we have of this earth, with its natural formations, its plants, trees, animal life, bird and insect creations, we never cease to wonder at the meaning of it all. We are reminded of the Creative Mind over all, and that fills us with additional wonder. We are humbled and made reverent. The beauty of it all fills us with a sense of spiritual splendor.

Before me, outside my library as I write, are many maps, all in golden garb, but now with their foliage gently falling, leaf by leaf, to its rest upon the earth. Just a few months ago I watched these same trees give bud to the stripped branches of Winter, and watched each day the beautiful unfolding into a great green umbrella of beauty. Every change in nature and in life is a thing of wonder!

Friendships best endure.

AUTUMN
The glory of autumn is quickly destroyed
By winter's harsh sting.
Still while it lasts it is greatly enjoyed —
A beautiful thing.

A capacity audience sat enthralled in Bruns Chapel Wednesday evening, while Edwin Markham, author of "The Man With the Hoe," and other poems, pointed a verbal portrait in glowing colors of the Muse of the Art, dealing especially with poverty.

At the request of Dr. T. L. Cline, the venerable "singer of sweet soul-stirring music," consented to tell his hearers what prompted him to write what most people consider his masterpiece, "The Man With the Hoe."

Cupid Plays Havior with Bach-elders: Miss Gladys Virginia Zechner, youngest daughter of Harry B. Zechner, Littlestown, and Clarence LeRoy Schwartz, son of Mr. and Mrs. I. A. Schwartz, Littlestown, were married in the parsonage of St. Paul's Lutheran church, Littlestown, on Thursday morning at 6 o'clock. The ring ceremony was used by the Rev. David S. Kammerer.

Miss Laura Bemiller, daughter of Mr. and Mrs. A. J. Bemiller, Silver Run, and Walter Degroot, son of Mr. and Mrs. George Degroot, Littlestown, were married in the Lutheran parsonage, Silver Run, Tuesday evening at 7:30 o'clock by the Rev. A. G. Wolf. They were attended by Mr. and Mrs. Miss Bemiller.

Rotary Club Is Five Years Old: The Gettysburg Rotary club observed its fifth anniversary at its weekly luncheon meeting at the Hoffman hotel, assisted by the ladies of the club and a score of members of the York Rotary club, with their ladies.

President William A. Miller turned the meeting over to M. C. Jones, chairman of the program committee, and an interesting program of dancing, music and speeches followed.

Littlestown SCHOOLS HELD MANY AFFAIRS DURING MONTH

Reports of the supervising principal, Paul E. King, and the school nurse, Brenda B. Walker, were the main items of business at the monthly meeting of the executive board of the Littlestown school jointure, held Tuesday evening in the office of Mr. King.

Total enrollment of the jointure now is 999, of which 388 are in Littlestown; 167 in Germany township; 259 in Mt. Joy township and 185 in Union township.

Mr. King reported that the month closed with 30 days taught. Several "inservice" visits were made during the month by members of the faculty. Mrs. Walker and Mrs. Ralph Unger attended the cafeteria clinic at Bolling Springs; Rodney Law attended the Southern District Arts conference at Kutztown on November 3; Garne Schellhase represented the Adams County branch of the Pennsylvania State Education association state-wide classroom teachers' conference at Bedford Springs on October 20 and 21. Lloyd Staley and the staff of the Littlestown Echo, the school paper, attended the York-Adams regional Press Conference at Dallastown on October 16, and Mrs. Donald Sheely attended the Southern District Pennsylvania State Education association conference at Lancaster at which time she was president of the round table group in home economics on October 27.

Mr. King listed the special activities of the month as follows: The senior play, "A Date With Judy," October 27; special assembly, David Mylan, make-up artist, October 30, and a Halloween party for the junior-senior high school on October 31. Fire prevention week was observed with a special assembly.

Henry E. Wulman, past president of the Adams County Firemen's association, addressed the student body and instructions and plans were given for fire drills.

At FHA Conference
Nine girls, together with their advisor, Mrs. Sheely, went to East Greenville, Pa., to attend the annual Region "C" conference of the Future Homemakers of America on October 21. American Education Week was observed with special programs in the grade and high schools. The high school band under the direction of Paul Harner provided music for the Pennsylvania Week celebration in St. Aloysius hall. The music was sponsored by the Littlestown Chamber of Commerce.

Report cards were given out to all pupils in the jointure, grades three to 12 on November 10. A change in marking periods will be effective after the first period. It was decided that grades will be given six times per year, divided into the equivalent number of periods and the first report cards to be given under this new program will be issued January 21, 1951. The football season closed with the junior high team being undefeated in the four-game schedule. The varsity team turned in two victories, one tie and five losses.

Practice for basketball has begun, with Robert White coaching the senior high boys and Miss Doran DeFey coaching the senior high girls. Maurice Bream is coaching the junior high boys' team.

A first notice of illegal absence was served on a parent residing in Germany township on October 28, for the illegal absence of his son. The Mason and Dixon Memorial Post 6954, Veterans of Foreign Wars Drum and Bugle corps, entertained during the lunch at the Hanover.

Dallastown and Littlestown game. Fans in observance of Community Night. Several classes toured the Gettysburg battlefield along with their instructors as part of their course in Pennsylvania history. The magazine drive closed with a total sales of \$2,399.60 from which the school derived a profit of \$669.88 which will be divided between the athletic and music funds.

Bus Rules Are Given
On November 8 a group meeting of all bus drivers and students who ride on school buses was held in the high school auditorium. Mr. King gave instruction to both groups as to rules, regulations and conduct in going to and from school on buses. The state police showed 1500 pictures to the grade and high school pupils during a special assembly on November 14.

The Women's Community club is planning to hold a public dinner in the school cafeteria on December 2 to establish a fund for the purchase of new uniforms for the Senior high band.

During the month of October a total of 6192 meals were served in the school cafeteria and the average daily number served was 232.

Mr. King announced that an electric vibration was presented to the school by Samuel H. Humbertham, Littlestown. He also reported that the monthly tuition rate of \$2.34 for the grade school, and \$18.66 for the high school, was approved by the State Department of Public Education.

Mrs. Walker's report was presented to the board by Mr. King. Receipt of germicidal lamps for the second grade room, presented to the school as a gift of Cloy and Netaren Crouse, Littlestown, was reported. Mrs. Walker gave first aid treatment to 84 pupils in school last month. Eighteen home visits were made and nine conferences were held with pupils in school. Mrs. Walker reported that Dr. Leonard L. Potter has completed physical examinations of all pupils in the first, third, fifth and seventh grades. Dr. Potter is now examining the ninth grade pupils. Dr. Donald B. Coover has finished his examinations in the rural schools of Germany township, Union township and Mt. Joy township. Four cases of communicable diseases were reported during last month. Two of the pupils have returned to school.

STRIKE ENDS IN PITTSBURGH

Pittsburgh, Nov. 15 (AP)—A 18-week strike of mailmen from work in the city of Pittsburgh has ended but newspapers have ended but newspapers won't be hitting papers for at least several days.

The mailers and delivery truck drivers, whose contract expired after the strike began last October 1, will get a 10-cent hourly increase when they return to work and 3 1/2 cents more monthly later. The mailers' operation of plants \$639,55; maintenance of plants \$222,22, and capital outlay, \$2,061,88, a total of \$14,701.83.

Following the board meeting Mr. King took the members on a tour of the junior-senior high school building.

Directors present were Luther W. Ritter and Wilbur E. Mackley, Littlestown borough, Stanley Sell and George Worley, Union township; Luther Hess and Clayton Harget, Germany township; Arthur Buhler and John Schwartz, Mt. Joy township. Also present were Paul E. King, supervising principal, and Henry E. Wulman, secretary. The next meeting will be held Tuesday, December 12.

The Littlestown school board met at 8 p.m. on Tuesday evening with Carl Baumgardner, president, presiding. All of the local board members were present. The secretary, Luther W. Ritter, reported the following receipts: Littlestown jointure, \$6,791.77; the Littlestown National bank \$2.40, and Reid C. Epplenman for ice on taxes, \$12.20.

Bills paid were \$244.04 for delinquent taxes to Reid C. Epplenman, \$342.87 for reimbursement to the state and \$989.07 for reimbursement for the summer recreational program.

jection of a flat 10-cent offer precipitated the strike. The contracts run to April 1, 1952, an 18-month period.

Employees also were granted contributory life insurance in the amount of \$6,000. The amount of employee contributions and the amount of insurance previously carried was not disclosed.

Mailers previously earned \$78.13 for a 37 1/2-hour week. The driver made \$81 in a 40-hour week.

There are stumbling blocks to be set aside before the presses roll again at the Post-Gazette, Sun Telegraph and Press. The publishers are talking with representatives of the 10 unions representing about 2,500 newspaper workers. The non-striking unions told publishers when employees were threatened that they would expect pay for their members during the walkout.

Linden, N. J., Nov. 15 (AP)—An 8,000-gallon ammonia tank blew up Monday night at the giant DuPont chemical plant here, belching flames 100-feet into the air and set off a series of war scares in New Jersey's blast-belt section.

The erupting storage tank, located on the second floor of a weed-killer manufacturing building, wrecked the building, damaged others at the sprawling plant and shattered windows in Elizabeth, five miles away.

Time to buy trucks on something besides hearsay!

You can't afford to buy trucks by guesswork today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

Come in and see us—whether you want a 1/2-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck—designed for longer mileage with less maintenance expense—and it will be a real truck, engineered for your type of work.

That's our specialty as a GMC truck dealer—we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab and optional equipment that is best suited for your year-round needs.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

TRUCKLOAD OF EXPLOSIVES BLASTS TOWN

Greensboro, Pa., Nov. 15 (AP)—An explosives truck blew up in a nearby mining village yesterday, wrecking almost every house in the community of 150 residents.

The blast came about 15 minutes after the truck collided with an auto and burst into flames. The interval gave rescuers time to warn residents to flee from nearby homes.

State police believe the truck driver, James W. Smiley, 28, of Wheeler, Pa., perished in the explosion. No trace of his body was found. Five other persons were hospitalized and a score more suffered minor hurts.

Tears Big Crater
The explosion blasted a hole 20 feet deep and 50 feet long. About 100 feet of Monongahela railroad track, along Route 88, was ripped up. Half of the 18-foot concrete highway for a distance of 30 feet was blown to bits.

The Metro White grocery store and seven homes were flattened in the nameless little mining hamlet on the outskirts of Poland mines, four miles southwest of here. The blast tore roofs, walls and porches from a dozen houses and knocked others off their foundations.

The truck, owned by William Baughman, Connellsville, Pa., was carrying dynamite and possibly other explosives from the Liberty Powder company, Mt. Braddock, Pa., to the Jimmy mine of Jimmy's Coal company, Newtown, Pa., to be used in mine blasting.

Heard Driver Call
The truck collided with a car driven by Leroy Miner, Waynesburg, Pa., whose machine went through a guard rail and plumed about 100 feet into a ravine. Miner was taken to Green county Memorial hospital at Waynesburg with a broken left leg.

"The truck was about 400 feet behind me when I first saw it," said Miner. "It seemed to be gaining on me rapidly, as though it didn't have any brakes and the driver couldn't stop it. He couldn't pass me because there was a coal truck coming up the hill toward us."

"After the collision, I crawled back up the hill to the road and saw the truck in flames. I heard someone yelling in the truck cab: 'My God! Get me out of here!' Some men who came up did try to get him out but the flames were so hot they couldn't even get close to the truck."

Hunt For Uranium In Special Plane

Boulder, Mont., Nov. 15 (AP)—Now they're prospecting for uranium from an airplane.

Kent Howard and Dick Peterson, of Price, Utah, are surveying properties of the Ekhorn Mining company. Their airplane carries a "scintillometer," a hopped-up Geiger counter.

The scintillometer is equipped with a lead-covered directional shield containing a photo-electric cell. The shield eliminates airplane instrument interference.

The cell picks up ground radiations from altitudes up to 1,500 feet.

STRUGGLE OVER DEAN ACHESON IS BUILDING UP

Washington, Nov. 15 (AP)—A struggle over Dean Acheson's tenure as Secretary of State appeared today to be building up behind the scenes of the Truman administration.

In the aftermath of last week's Democratic election reverses official informants who cannot be named said that two conflicting lines of advice are being directed toward President Truman in their simplest forms these are:

1. Acheson must go because he is a political liability; and

2. He must be kept in office under Republican fire because to let him go now would jeopardize the foreign policies for which he stands and hurt the President politically.

Safe For Moment

At the moment there is every indication that Mr. Truman does not intend to let the secretary out. The President has declared his support of Acheson in the past and associates say the two maintain a close friendship based on mutual admiration. Acheson himself has declared he has no intention of resigning.

The argument that he should go now, reportedly pressed by Acheson's critics within the Democratic party, holds that the congressional elections proved the secretary to be a political handicap, that he lacks popularity if not the confidence of much of the country, and that the President should permit him—or ask him—to step aside.

Await Next Congress

The Democratic politicians are said to believe that his usefulness has been greatly impaired by his famous year-old statement that he would not turn against Alger Hiss. Hiss had just been convicted of perjury in connection with charges of

Meteor Shower Is Due Thursday

Philadelphia, Nov. 15 (AP)—Pennsylvanians may have a look tomorrow night at one of astronomy's most brilliant spectacles—a shower of meteors.

The opposite viewpoint comes from Acheson's friends in the administration and particularly from some of his department associates. Their argument is that Republican election victories were not a repudiation of the broad lines of American foreign policy Mr. Truman is responsible for that policy and Acheson to a large extent is its architect.

The issue probably will not come to a head until the new Congress with its bigger GOP minority gets under way. What happens then probably will depend on Acheson's ability to get along with congressional leaders—both Democratic and Republican—and to win support for major foreign policy legislation.

CANADA COUNTS HUGE LOSSES BY FOREST FIRES

Ottawa, Nov. 15 (AP)—Canadian looking back on a season of heavy forest fires in the east and the west—but of light damage in the central provinces—found the most spectacular development in a smoke pall that brought a daytime black-out to part of eastern North American cities one week-end in late September.

The over-all fire loss in Canada is believed heavier this year than in 1949. Just how much heavier has yet to be calculated by provincial forestry department officials, still busy tabulating rangers' reports.

Estimates of the value of timber destroyed are available from only one of the 10 provinces—Alberta—which lost \$1,000,000 worth. In all Canada last year the value of timber burned and the cost of firefighting totalled \$9,017,706.

The smoke that drifted eastward from bushfires in northwestern Canada the week-end of September 24 blotted out the sun over a score of cities including Toronto, Chicago, New York, Washington, Philadelphia and Buffalo, N. Y. It made it necessary to turn on the lights for an afternoon baseball game in Cleveland. Some people, yawning fearfully at the grayish-yellow haze, thought the end of the world was at hand.

Weather men traced the smoke across the Atlantic ocean. It made the moon appear blue over the British Isles and caused other weird effects in the Danish sky. It apparently was dispersed by rain somewhere in northern Europe.

Weather men, still correlating reports on the phenomenon, say the smoke flowed eastward from the fire

Carlisle Changes Due Next Spring

Washington, Nov. 15 (AP)—The Army announced Tuesday that three service schools will be moved from Carlisle Barracks, Pa., next spring to make way for the Army War College.

The Armed Forces Information and Chaplains schools will go to Fort Slocum, near New York city, and the Army Security Agency school will move to Fort Devens, Mass.

The Army War college was re-established earlier this year and its current session is under way at Fort Leavenworth, Kans.

The Army said that Fort Slocum was selected as the new site of the information school because of its nearness to the newspaper, radio, television and public relations centers in New York city. The Fort was declared excess by the Air Force in July and was to have been disposed of. The outbreak of the Korean war, however, halted the disposition of the property.

zone in a mass between 200 and 300 miles wide at a height of from 12,000 to 14,000 feet. In the United States, a special study is being made of smoke pall observations taken from U. S. Weather stations.

In Newfoundland, forestry men say the fall was "the worst on record" for fires, with most of the destruction in spruce stands. They are still evaluating the damage.

Count Huge Damage
British Columbia fires numbered 1,514, compared with 1,701 last year, but officials say that this year "some were big ones." Damage estimates are due to be completed in December.

Alberta authorities believe their fire damage will approximate \$1,000,000, as against last year's \$4,000,000.

The Alberta fires followed a September heat wave and coincided

TIBET APPEAL TO BE IGNORED

Lake Success, Nov. 15 (AP)—Tibet's appeal for United Nations assistance to repel Chinese Communist invaders appeared headed for the "file and forget" cabinet today.

No U.N. member appeared willing to shoulder the responsibility of sponsoring Tibet's plea in the Security Council. Since the remote Himalayan theocracy is not a member, it cannot present the plea directly.

The two governments most directly concerned—India and Nationalist China—both take the attitude that Tibet is a part of China and therefore the conflict is a civil war not subject to U.N. jurisdiction.

Although both countries are highly opposed to the Red use of force against the 3,000,000 people in the mountain land, they feel that the legal niceties prevent interference.

The United States has not yet studied the 1,250-word communication from Tibetan Finance Minister Tsepon Shakabpa to Secretary General Trygve Lie, but its representatives gave the impression that it was much too engrossed in the Korean campaign to take on the main burden of a new war.

U. S. Deputy Delegate Ernest A. Gross told newsmen on Monday that the U. S. was consulting informally on Tibet, but would not take a definite stand until the correspondence was thoroughly studied.

with an 18-day drought. They were blamed for the smoke pall. However, Alberta officials think most of the smoke probably came from northeastern British Columbia, near the southern end of the Alaska highway. Alberta had 35 fires at the time, but 65 bigger ones were burning in British Columbia.

Southern Telephone Company Is Indicted

Miami, Fla., Nov. 15 (AP)—A racket-busting grand jury concluded four months work on Monday with a blistering review of what it called sordid gambling conditions in Dade (Miami) county.

It indicted seven corporations and 53 individuals, among them the Southern Bell Telephone and Telegraph company.

The jury said one unidentified winter visitor "was flensed out of half a million dollars in one evening in a gambling casino operated in this county." Neither the loser nor the casino was identified.

The telephone company was in-

dicted on a charge of "being an accessory to the operation of gambling houses."

Five other corporations indicted on Monday operate hotels at Miami Beach. They are: Selray corporation, lessee of the Surfside hotel; Central Investment company, owner of the Clinton hotel; Palm Court Hotel, Inc.; Cranwell Hotel, Inc., and the William Penn Hotel, Inc.

They were charged with renting rooms for gambling purposes. The offenses allegedly took place last winter.

WINTER FORECAST: Perfect Comfort

Much of the comfort and convenience we enjoy in home heating today was developed by the oil industry. No wonder so many Americans prefer to heat their homes with fuel oil. And this winter more Americans will be heating with oil than ever before.

If you heat with fuel oil, you're just as much interested in service as in the quality of the products you receive. That's why we're glad we can say we stand ready to supply you not only with the best products but also with the most dependable service you have ever known. The tough competition we are up against in the marketing of fuel

is your constant guarantee of that. This community is serviced by many different fuel oil dealers. To win and hold your business, we've got to do a stand-out job for you—no matter what the weather, no matter where you live. For if we don't we know you'll take your trade elsewhere — just as you should.

We'd welcome the chance to serve you this winter, and keep your storage tank filled automatically. One telephone call to us today will insure perfect heating comfort for you and your family all winter long.

FOR HIGH COMPRESSION... IT'S THE "ROCKET"!

Ever since Oldsmobile introduced the "Rocket" Engine two years ago, seems like everybody claims "high-compression"—but nobody explains it. The phrase simply means squeezing the gasoline into a smaller space before exploding it. This gets more power out of the same amount of fuel. But the engine must be designed for high-compression all the way through to assure smooth, quiet, gas-saving performance. The "Rocket" is 100% high-compression—from the crankshaft out. And the lowest-priced "Rocket" Engine car is Oldsmobile's "88." Makes good sense to try it soon—doesn't it?

CANADA COUNTS HUGE LOSSES BY FOREST FIRES

Ottawa, Nov. 15 (AP)—Canadians looking back on a season of heavy forest fire losses in the east and the west—but of light damage in the central provinces—found the most spectacular development in a smoke pall that brought a daytime black-out to part of eastern North American cities one week-end in late September.

The over-all fire loss in Canada is believed heavier this year than in 1949. Just how much heavier has yet to be calculated by provincial Forestry department officials, still busy tabulating rangers' reports.

Estimates of the value of timber destroyed are available from only one of the 10 provinces—Alberta—which lost \$1,000,000 worth. In all Canada last year the value of timber burned and the cost of firefighting totalled \$9,017,706.

The smoke that drifted eastward from bushfires in northwestern Canada the week-end of September 24 blotted out the sun over a score of cities including Toronto, Chicago, New York, Washington, Philadelphia and Buffalo, N. Y. It made it necessary to turn on the lights for an afternoon baseball game in Cleveland. Some people, gazing fearfully at the greyish-yellow haze, thought the end of the world was at hand.

Traced Across Ocean
Weather men traced the smoke across the Atlantic ocean. It made the moon appear blue over the British Isles and caused other weird effects in the Danish sky. It apparently was dispersed by rain somewhere in northern Europe.

Weather men, still correlating reports on the phenomenon, say the smoke flowed eastward from the fire

Interesting News Of Upper Adams Countians And Their Enterprises

BIGLERVILLE'S KITCHENETTES PLAN ACTIVITIES

Biglerville residents who enter into matrimony in the future will know they are well wed according to plans of the Biglerville Kitchenettes.

The women who comprise the unique upper community musical organization are planning to revive the old fashioned custom known variously as the "rattle band," "Calathumpian band" or "Charivari."

Each young couple, according to the custom, will be properly serenaded upon their return from the wedding trip—with the members of the Kitchenettes providing the serenading. Since the organization is becoming famed for its ability as a musical organization the charivari are expected to be more musical and less discordantly noisy than those which called for the beating of tin pans and the use of any noise making equipment available.

To Visit County Home

Meeting Monday evening at Biglerville, the Kitchenettes also voted to present a program for the residents at the county home with the date for that visit to be decided in the near future.

The group also decided to present a program at the next Biglerville community woman's party to be held November 28 at the Biglerville community hall. At present the plans are to put on a program similar to the one presented so successfully at the Arendtsville firemen's carnival Saturday evening.

On December 4 the group will participate in the annual Christmas parade to be held in Biglerville.

To Decide On Project

Plans were also discussed for a full length performance to be presented within the next three or four months in the Biglerville auditorium. The program will include kazoo, guitar, singing, dancing and other acts to provide a well rounded show. Money raised by the show will go into the Kitchenettes special fund to be spent for a community project.

Just what that project will be is to be decided at the December 11 meeting of the Kitchenettes. Each member has been asked to consider what she believes to be the most needed project in the Biglerville community.

At the covered dish supper meeting December 11, each member will be asked for her suggestions and the group will decide which is the best suggestion from among the ideas offered by the members plus the ideas expressed by others in the borough during a recent request for such suggestions.

Board Has Authority

Money placed in the community fund so far, plus whatever money is raised in the future, will go toward the project, or several projects, adopted as most needed for the community's improvement. Included in that fund is a \$10 donation from the Pennsylvania Week committee which was received by the group at its meeting Monday night.

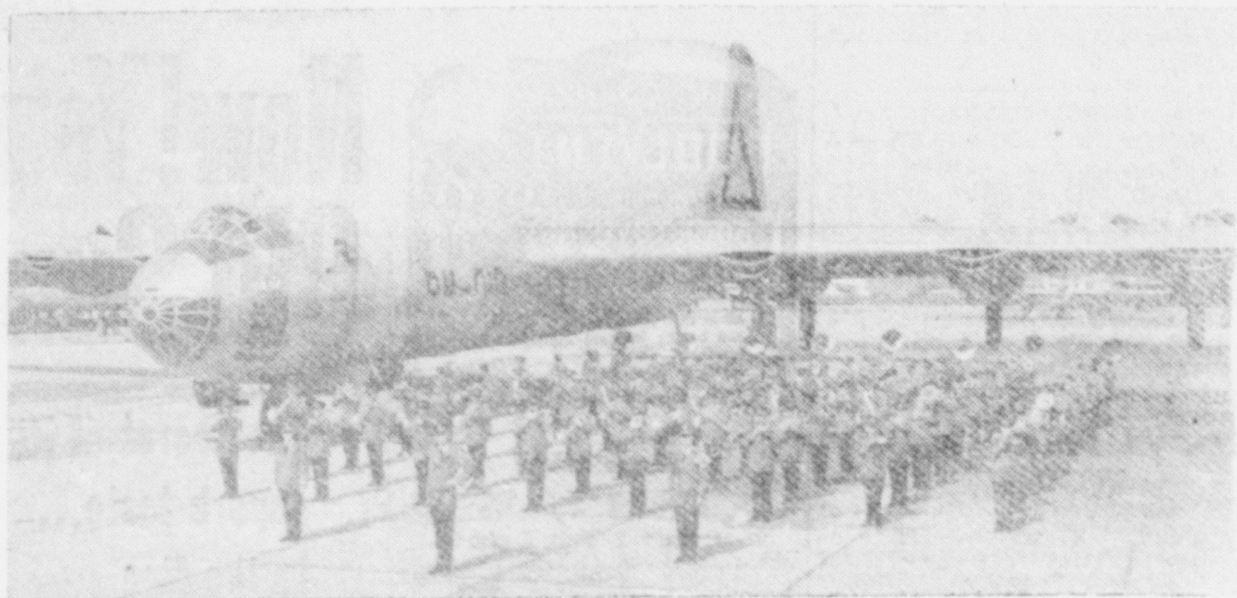

The board was granted sole authority to make whatever purchases the club may need from time to time.

Mrs. Helen Hawbecker was elected second vice president of the organization, and Mrs. Ada Eckenrode was accepted as a new member.

Committees Named

Named as members of the committee in charge for the December 11 meeting were Mrs. Beulah Dearborn, Mrs. Mildred Birdsmeith, Mrs. Anna Russell, Mrs. Mildred

U.S. Air Force Band To Play November 29

The United States Air Force band, which will appear at the South Mountain Fair grounds Tuesday, November 29, is famous for the various types of music it produces. Arnold Orner, president of the South Mountain Community and Fair association, said today.

Not only is the band famous for its ability as a military band, he noted, but it also presents symphony orchestra numbers, choral groups, and modern popular dance band numbers.

Chosen for their ability, the members of the band are able to enter into various combinations to present different types of music.

In order to permit all an opportunity to hear the group, the fair association has arranged for a matinee performance at 1:30 o'clock on the afternoon of November 29 and a night performance at 8 o'clock.

A description of the ability of the

Cleaver, Mrs. Beulah Shafer, Mrs. Mary Kathryn Fidler, Mrs. Margaret Breighner and Mrs. Sybil Unger.

Named to the decorating committee were Mrs. Anna Osborn, Mrs. Margaret Freed, Mrs. Helen Hawbecker, Mrs. Paul Pissel and Mrs. Vera Woodward.

Thirty-five attended Monday's meeting. It was decided at the session that in the future the members will bring not only the kazoo but also the "musical instruments" with them for practices and meetings.

members of the band to present different types of music is contained in a review written for the "Evening Telegram" of Toronto, Canada, of a concert presented there on August 26 at the Canadian National Exposition.

Edward Wodson, music critic for the Toronto newspaper, wrote: "Weber's 'Oberon' overture and Rachmaninoff's G Minor Prelude were band numbers. Wolf-Ferrari's 'Secret of Suzanne' overture and 'Perpetual Motion' of Rels—for union strings—were symphonic. The Singing Sergeants—22 of them—sang unaccompanied part-songs (sacred and secular) and M. Sergeant Darwin sang baritone solo. It seems ridiculous to speak of the polished musical technique of these performances. Instrumental virtuosity had almost annihilating dynamic and precision. Right through orchestra and band this genius of expression ran like quicksilver. To beauty of tone, sensitive light and shade and clean-cut rhythmic vitality there was added an eagerness impossible to mistake. These glorious music-makers might have been heralds of a new common sense in tuneful expressionism."

PLAN TURKEY SUPPER

A turkey supper will be held Saturday from 4 to 9 p.m. in the York Springs Fire hall by the Always Faithful Sunday school class of the York Springs Lutheran church. The public is invited to attend.

LIONS PLAN BENEFIT

The Lions club of York Springs will hold a card party Wednesday at 8 p.m. in the York Springs Fire hall proceeds of which will be used to supplement a fund for new uniforms for members of the York Springs high school band. Donald Miller is president of the organization.

State Ranks Third In Peach Production

Latest federal-state estimates announced by the state Department of Agriculture give Pennsylvania peach production for 1950 at 2,194,-

000 bushels, ranking the state third among all peach growing states of the nation.

The 1950 peach crop compares with 2,451,000 bushels harvested in 1949 and the 1939-48 average of 1,987,000 bushels.

Over the past 10 years Pennsylv-

vania has averaged seventh in the national in the production of peaches. This year the crop was nearly a failure in North and South Carolina and Georgia, states that would ordinarily produce larger amounts of peaches than Pennsylvania.

The 1950 United States peach crop is estimated at 52,407,000 bushels, 30 per cent less than the 1949 crop and 25 per cent less than average.

Aerial View Of Rice, Trew And Rice Plant In Biglerville

Aerial Photo By Vernon H. Schmidt, Biglerville

Packing Paper Products Of Rice, Trew And Rice Plant Are Used By Fruit Growers In All Parts Of U.S.

Although Adams county is known throughout the country as one of the greatest fruit producing sections in the United States, few people realize it is also the home of one of the largest packing-paper plants in the country.

Coincidental too, is the fact that much citrus fruit being shipped into Adams county right now is packed in paper products manufactured by the Rice, Trew and Rice company of Biglerville.

One of six companies of its type in the United States, the firm markets its products to every state in the union. Organized in 1929 by former State Senator John S. Rice and his brother, A. E. Rice, who died in 1941, and J. W. Trew, Rice, Trew and Rice company processes several hundred carloads of paper a year into shredded packing paper, basket and crate liners and cushion tops and edge guards, and fringe for fruit packing houses.

Organized 21 Years Ago
The firm was organized while the Rice brothers and their father were operating the Rice Produce Co., fruit growers and packers near Biglerville, because, as packers of many thousands of tons of fruit for neighboring orchardmen, they were unable to buy certain types of paper

being cut on the sharp edges of the containers. And recently they received an order from a New Jersey firm for basket liners for three-quarter bushel baskets, indicating that packers are frequently attempting new methods of packing and marketing their produce.

News of the enterprising firm of Rice, Trew and Rice spread throughout the country's fruit growing-and-packing industry and soon the organization was receiving requests to supply the fruit packers in many other states. Today many of their products are shipped to the north-west for the apple industry and to the Rio Grande valley for citrus fruits and vegetables. Rice, Trew and Rice products are common sights to peach growers in Georgia and to citrus growers in Florida and other parts of the south.

One of the recent additions to the list of items manufactured by the Biglerville company is that of paper guards for lining the edges of crates and baskets to prevent fruit from

being cut on the sharp edges of the containers. And recently they received an order from a New Jersey firm for basket liners for three-quarter bushel baskets, indicating that packers are frequently attempting new methods of packing and marketing their produce.

"Some of these are good but many don't last long," explains Mr. Rice. The firm has hundreds of dies and patterns that were made at the request of a packer for the production of a new item which turned out to be impractical, and the dies are now in the company's "die morgue."

Although there is little competition in the packing paper industry at present because of another paper shortage, the firm is always on the alert for new ideas in the manufacture field. One of these ideas resulted in the formation last year

quest of a packer for the production of a new item which turned out to be impractical, and the dies are now in the company's "die morgue."

Although there is little competition in the packing paper industry at present because of another paper shortage, the firm is always on the alert for new ideas in the manufacture field. One of these ideas resulted in the formation last year

of a subsidiary company of Rice, Trew and Rice—namely the State Container company, manufacturing corrugated boxes for commercial use. Made for shipping such merchandise as shoes, clothing and similar products, in addition to, fruit which does not require later storing, the corrugated boxes replace wooden boxes because they are cheaper for the manufacturer to use, lighter in

weight and easier to handle during shipping and are more easily disposed of after the merchandise has been unpacked. So far, these boxes are not recommended for fruit which is to be stored in customary storage houses because the cool temperatures cause the boxes to become soggy.

Interesting News Of Upper Adams Countians And Their Enterprises

BIGLERVILLE'S KITCHENETTES PLAN ACTIVITIES

Biglerville residents who enter into matrimony in the future will know they are well wed according to plans of the Biglerville Kitchenettes.

The women who comprise the unique urban community musical organization are planning to revive the old fashioned custom known variously as the "rattle band," "Calathumplan band" or "Charivari."

Each young couple, according to the custom, will be properly serenaded upon their return from the wedding trip—with the members of the Kitchenettes providing the serenading. Since the organization is becoming famed for its ability as a musical organization the charivari are expected to be more musical and less discordantly noisy than those which called for the beating of tin pans and the use of any noise making equipment available.

To Visit County Home

Meeting Monday evening at Biglerville, the Kitchenettes also voted to present a program for the residents at the county home with the date for that visit to be decided in the near future.

The group also decided to present a program at the next Biglerville community woman's party to be held November 28 at the Biglerville community hall. At present the plans are to put on a program similar to the one presented so successfully at the Arendtsville women's carnival Saturday evening.

On December 4 the group will participate in the annual Christmas parade to be held in Biglerville.

To Decide On Project

Plans were also discussed for a full length performance to be presented within the next three or four weeks in the Biglerville auditorium. The program will include kazoo, singing, dancing and other acts to provide a well rounded show. Money raised by the show will go to the Kitchenettes special fund to be spent for a community project.

Just what that project will be is to be decided at the December 11 meeting of the Kitchenettes. Each member has been asked to consider what she believes to be the most needed project in the Biglerville community.

At the covered dish supper meeting December 11, each member will be asked for her suggestions and the group will decide which is the best suggestion from among the ideas offered by the members plus the ideas expressed by others in the borough during a recent request for such suggestions.

Board Has Authority

Money placed in the community fund so far, plus whatever money is raised in the future, will go toward the project, or several projects, adopted as most needed for the community's improvement. Included in that fund is a \$10 donation from the Pennsylvania Week committee which was received by the group at its meeting Monday night.

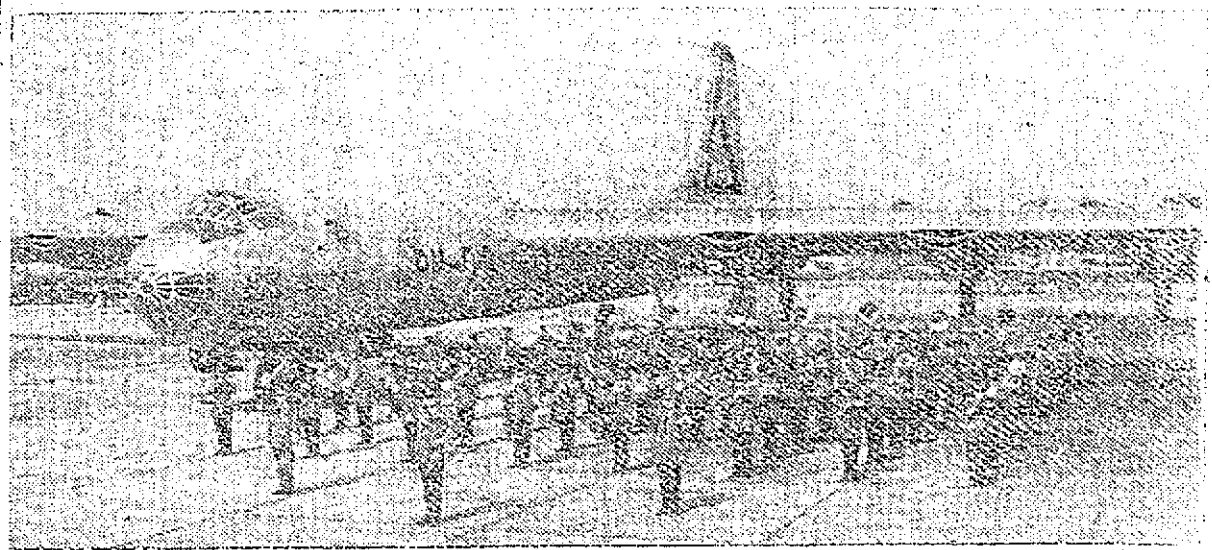

The board was granted sole authority to make whatever purchases the club may need from time to time.

Mrs. Helen Hawbecker was elected second vice president of the organization, and Mrs. Ada Eckenrode was accepted as a new member.

Committees Named

Named as members of the committee in charge for the December 11 meeting were Mrs. Beulah Dearholt, Mrs. Mildred Birds-Smith, Mrs. Anna Russell, Mrs. Mildred

U.S. Air Force Band To Play November 29

The United States Air Force band, which will appear at the South Mountain Fair grounds Tuesday, November 29, is famous for the various types of music it produces. Arnold Orner, president of the South Mountain Community and Fair association, said today.

Not only is the band famous for its ability as a military band, he noted, but is also pre-eminent symphony orchestra numbers, choral groups, and modern popular dance band numbers.

Chosen for their ability, the members of the band are able to enter into various combinations to present different types of music.

In order to permit all an opportunity to hear the group, the fair association has arranged for a matinee performance at 1:30 o'clock on the afternoon of November 29 and a night performance at 8 o'clock.

Named to the decorating committee were Mrs. Anna Osborn, Mrs. Margaret Freed, Mrs. Helen Hawbecker, Mrs. Paul Fissel and Mrs. Vera Woodward.

Thirty-five attended Monday's meeting. It was decided at the session that in the future the members will bring not only the kazoes but also the "musical instruments" with them for practices and meetings.

State Ranks Third In Peach Production

Latest federal-state estimates announced by the state Department of Agriculture give Pennsylvania peach production for 1950 at 2,194,-

000 bushels, ranking the state third among all peach growing states of the nation.

The 1950 peach crop compares with 2,441,000 bushels harvested in 1949 and the 1939-48 average of 1,987,000 bushels.

Over the past 10 years Pennsylv-

vania has averaged seventh in the nation in the production of peaches. This year the crop was nearly a failure in North and South Carolina and Georgia, states that would ordinarily produce larger amounts of peaches than Pennsylvania.

The 1950 United States peach crop is estimated at 52,407,000 bushels, 30 per cent less than the 1949 crop and 25 per cent less than average.

KIDNAPPER HAD STOLEN CHECKS

Albuquerque, N. M., Nov. 15 (AP)—State and FBI agents are turning up a trail of unpaid bills, growing debts and threatened eviction in probing recent activities of Dr. Nancy Campbell, Robert Fox, assistant district attorney, said investigators are delving into two other matters:

1—Evidence that the prominent 43-year-old women's physician

charged with kidnapping a little girl last week-end had been "doling out money to a number of individuals."

2—Discovery of \$800 in travelers checks found in her car which are part of \$1,000 reported stolen earlier this year from the Santa Fe office of Dr. Eric P. Hausner.

Dr. Campbell is in an Albuquerque hospital awaiting arraignment in a week or two. Four friends in Santa Fe including the head of the county medical society, signed \$25,000 bond for her yesterday.

The popular doctor, dressed like a man, was nabbed in Santa Fe Saturday night as she picked up a box containing \$20,000 ransom. In her

Pottsville, Pa., Nov. 15 (AP)—Ten more jurors were expected to be selected today in the trial of Sidney Stromberg, charged with the slay-

ing of Harold Red Rowe in 1948.

Stromberg is charged with shooting the 37-year-old Rowe, of Reading, through the head for berating Stromberg's religion. Rowe's body was found August 13, 1948, lying behind a billboard between Schuylkill Haven and Pottsville.

The Federal atomic research reservation of Los Alamos, New Mexico, was recently made a full fledged county of that state.

Packing Paper

(Continued from Page 9)

tures, combined with the high humidity necessary to keeping fruit successfully, causes the paper to wilt and become soggy. Paper containers of this type can be manufactured from a grade of glazed corrugated cardboard but the cost to the packer is almost as great as that of wooden containers.

Rice, Trew and Rice buys old newspapers by the carloads, too. These are ground up and used to make heavy cushion tops for fruit baskets and crates, and the Adams county company is the only firm in the United States manufacturing this item. Containers usually are covered with a pad which gives a limited amount of protection to the fruit in shipping. The cushion, however, because of its thickness and the nature in which it is processed, is considered of far greater value.

The paper processing company buys many types of raw materials and papers for the manufacture of the items they supply fruit packers. Among these are the tissue-like paper wrapping found on citrus fruits coming from California, Texas and Florida; shreds for fancy produce are made from a type of oiled paper; and still other products are made from craft paper.

On Alert For New Ideas

One of the glamor-type items manufactured at the Biglerville plant is that of fancy fringes found around the tops of baskets in retail

markets. These are made solely for display purposes and are usually found on containers of select produce.

In addition to employing about 100 men the year 'round, about 50 women are hired during the season from May to October to thread basket liners together and assemble items to be shipped. Although they do not have salesmen in the various fruit belts, the firm is represented throughout the produce areas of the nation by jobbers and dealers in packing supplies.

"Some of our employees have suggested some excellent improvements

in paper supplies for the packing industry," Mr. Rice says, although he admits that everyone in the firm is constantly on the alert for any new product or any improvement on an old one which will aid the fruit grower and the packer in marketing his produce to the best advantage.

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one

this year. But we're speaking here of new owners only.

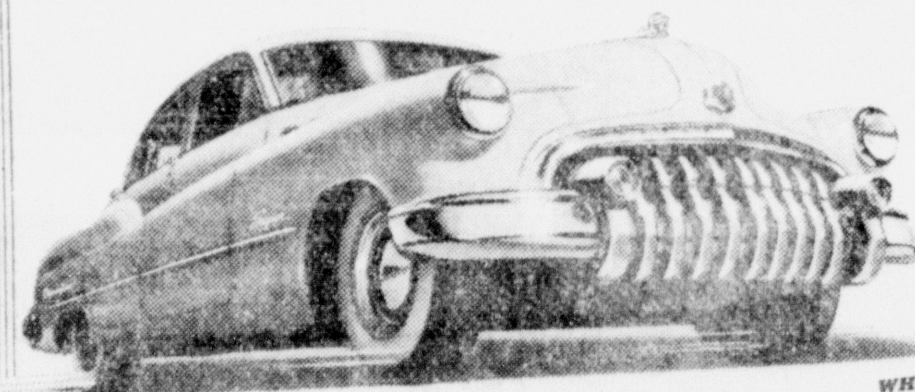

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflo Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.
